

SGLC Committee Reports
February 7th, 2016

Executive Committee:

- Exec Report: Nothing new to report. Exec did not meet due to Mid-Year Training. Update will be given at Senate.

Academic Affairs Committee:

- Did not submit report.

Allocations Committee:

- We will be hosting the open houses Wednesday and Thursday. They are yet to be pre-determined.
- SPOT 1 Appeals are still due this upcoming Tuesday at 5PM and if Speaker Kelley deems appropriate will be brought to the Senate floor Tuesday February 16th.
-
- The next round of requests are due Friday February 12th, at 5PM.
- Glad to have Chris on the team! He will be trained by myself and Kristin or just Kristin when we are able to schedule a mutual time.

Facilities & Transportation Committee:

Congratulations and welcome Sean McNelis back to the F&T Committee! We're excited to work with you this semester. Senator Pazik is working with the Executive Members of CAN on best ways to allocate Storage Space. F&T will be working with RCDC to promote Aramark sustainability initiatives. Here are a few things to look out for from F&T:

Tours & Forums

- LEARN WHERE YOUR CAMPUS FUEL AND SOAP COME FROM! F&T will coordinate a tour of the biodiesel lab - Student government members encouraged to attend. Time and date TBD on majority who are interested and able to attend
- "State of Neighborhood" February 16th, 2nd Floor of Damen from 5-7pm. This is a student and campus community forum being held later this month. Panelists will vary from Alderman Joe More, Campus Safety, Administration from Capital Planning, Campus Transportation, Community Relations, and more. Please spread the word to your peers to get people to this event and have an open and productive dialogue about safety initiatives.

Justice Committee:

- The Justice Committee currently has 5 members! **We will be meeting on Wednesdays at 5 PM in the SGLC office. This Wednesday, we will be going over goals and objectives.** I will be going over the various ideas I have for semester initiatives, and connecting the team with executive members of organizations so that we can support student initiatives on campus thoroughly. Looking forward to a strong semester!

RCDC Committee:

Committee Meetings – Thursday's 8:45pm

Committee Happenings

- Tabling on Tuesday February 16th 5-7pm Damen

Aramark

- Working on new feedback methods
- Connecting with IES to cross promote Aramark sustainability

Residence Life

- Meeting with new residence life director TBD

Commuters & Off Campus Life

- Next tabling event will be with Commuter Ambassadors and promotion of Off

-Campus student life forums and Q/A with Tina about living off campus

Safety & Wellness Committee:

- Nothing new to report. Committee meeting times will be set up this week!
