IPS MINISTRY MATCHING GRANT APPLICATION

An application form must be **completed for each semester** you wish to receive a grant. Forms must be **submitted 1 month prior** to the semester applied for. Ministry Matching Grants are figured into student's financial package and impact amounts allowed to be taken in student loans, often decreasing that amount.

If a parish, school, hospital, diocese or some other sponsoring agency is willing to pay 25% of a student's tuition, Loyola University will match that amount (but not over ¼ of the 3 credit hour per course tuition,) leaving the student to be responsible for 50% of the tuition charges. These **grants apply to tuition only**, and do not cover 0 – credit courses, fees, books, supplies, IPS post graduate tuition reduction program, etc. *This grant may not be used in conjunction with other non-loan tuition programs, including the IPS Endowed Scholarship, if the total would exceed 100% of the tuition in any given semester.*

Complete the <u>form</u>, acquire the <u>signature of the responsible person in the sponsoring agency,</u> and return it with your <u>sponsors check made payable to Loyola University</u> to:
