STUDENT I.D. NO.: \_\_\_\_\_ GRADUATION YEAR: 20\_\_\_\_

All students who wish to participate in the Externship Program must sign and submit this form to Dean Faught no later than Sept. 29, 2009. Only students who submit this form will have their resume submitted to potential externship sites.

I have reviewed the externship website and agree to complete the program requirements. I am aware of all deadlines and will adhere to them. I understand that my failure to attend any externship interview may lead to my exclusion from the externship program.

I affirm that all of the information stated on my resume is true and accurate. Specifically, the grade point average and class rank stated on my resume are accurate and in accordance with Loyola University Chicago School of Law records, through the Spring 2009 semester. I understand that my failure to include only true and accurate information on my resume may lead to my exclusion from the Externship program, and any other consequences which may result from academic infringement.

As a candidate for the externship program, I agree to respond by phone or in writing to invitations for interviews extended by potential externship supervisors immediately, to accept no more than one offer for an externship, and to consider acceptance of an externship as a binding obligation and to withdraw immediately from consideration with all other externship sites upon acceptance of an offer of an externship.
