Registration for Spring 2013 classes begins Monday, November 5th. Your specific enrollment appointment is listed on your LO-CUS student center homepage. This enrollment appointment tells you when you can begin registering for classes.

You can start to plan out your Spring schedule by placing courses in your Shopping Cart. Remember that just placing a course in your Shopping Cart doesn’t enroll you. You will need to complete the enrollment process when registration begins.

For any registration issues or questions, please come to our walk-in hours in Sullivan 235 (see below). You can also email your advisor with any questions or concerns, but please note that registration week is extremely busy so your advisor’s response may be slightly delayed.

**ON PROBATION?**

If you are currently on probation, you will need to complete an Academic Progress Form prior to registration. All of your instructors will need to sign this form and indicate that you are currently earning a ‘C-’ or better in the course. You must be earning a ‘C-’ or better in all of your classes in order to register for spring classes during your regularly scheduled time. The Academic Progress Form can be found [here](#).

**J Term Info**

- January Term 2013 allows you to complete one (1) 3-credit course in only two weeks.
- J Term runs from January 2-12 and classes generally meet 6 days a week for approximately 4 hours per day.
- Registration for J Term began on October 15th and is currently open. You can enroll in J Term courses through LOCUS, just as you’d register for a regular semester-long course.
