**SENIORS:**

**APPLY FOR GRADUATION TODAY!**

**What:** Apply for Spring or Summer 2014 graduation

**When:** Before October 1st

**How:** Through LOCUS (see step by step guide below)

**Why:** Applying by Oct. 1st ensures that you’ll receive a graduation audit from your advisor before you register for Spring 2014 classes. This way you and your advisor will be on the same page about what you need to take in the spring or summer to graduate.

**Where:** Anywhere you can get onto LOCUS

**Anything else?** Yes. Make sure to read IN DETAIL the audit you will receive via email from your advisor. We need to work together to make sure everything is accounted for and this can only happen if you fully understand your audit.

**Steps to Applying for Graduation:**

1. Log into LOCUS and enter your ‘Student Center’
2. Use the drop-down menu to select “Apply for Graduation”
3. Select your desired program, then your desired graduation term
4. Press “Continue,” and proofread the application information
5. Verify or update your name as it will appear on your diploma
6. Verify or update your permanent address
7. Indicate whether you will attend the graduation ceremony
