### Registration 101

#### The Basics
1) Check out your registration date and time by logging into LOCUS.
2) The date & time of your registration depends on the number of credits you’ve earned—not including the number of credits that you are currently taking this semester.

#### Get Prepared
Spring classes are currently posted in LOCUS, so get a head start and plan your schedule! You can even put courses into your shopping cart in LOCUS to help with your planning. If you don’t know what you need to take, check your Academic Requirements Report or speak with your academic advisor. You can make an appointment with your advisor by calling 773/508-3500. For quick questions related to registration, see the Walk-In Hours info listed below.

#### On Probation?
If you are currently on probation, you will need to complete an Academic Progress Form prior to registration. All of your instructors will need to sign this form and indicate that you are currently earning a ‘C-’ or better in the course. You must be earning a ‘C-’ or better in all of your classes in order to register for spring classes during your regularly scheduled time. The Academic Progress Form can be found at: [http://www.luc.edu/cas/forms.shtml](http://www.luc.edu/cas/forms.shtml)

#### Get Registered!
It’s game time—Register as early as you can so that you can get the classes that you want!
