Effort Rubric

I worked real hard on the task until it was completed
I kept trying when the task was hard even though I felt like giving up
I kept trying when the answer didn’t come to me easily. I kept telling myself that “I can do it!”

I worked on the task until it was completed
I kept trying even if the task was hard
I almost stopped when the answer didn’t come easy to me. My classmates or my teacher encouraged me to keep going.

I put some effort into the task
I didn’t stick with the task when I had difficulty
I stopped when the answer didn’t come to me easily.
