Evaluation of Mentorship/TA Experience

Thank you for taking the time to respond to the following questions about your experience as a TA in literature or as a mentee in composition this year. Your responses are anonymous so please answer frankly.

1. Approximately how many hours each week did you spend on your mentorship/TA duties?

How many classes did you attend?

How often did you meet with your mentor?

2. What were your responsibilities throughout the semester? Please be as specific as possible.

Did you find these responsibilities reasonable? Helpful? Arduous?

How closely did you work with your mentor on these responsibilities?

3. How much grading did you do and was your mentor helpful?

Did you discuss how to comment on papers, how to determine grades, that kind of thing?

4. How much teaching did you do and was the feedback you received helpful?

5. Please tell us how you would rate the experience overall. What has been of value to you? Are there any changes you would suggest?
