The new Teacher Education Assistance for College and Higher Education (TEACH) Grant Program provides up to $3,760 per year in for graduate and undergraduate students who intend to teach full-time in high-need subject areas for at least four years at schools that serve students from low-income families. Students may receive up to $16,000 for undergraduate study and up to $8,000 for graduate study. Part-time students are eligible, but the maximum grant will be reduced.

Students who do not complete the teaching commitment required will have the grant converted to an Unsubsidized Federal Stafford Loan. For complete information on the requirements, review the information provided by the U.S. Department of Education at http://studentaid.ed.gov/PORTALSWebApp/students/english/TEACH.jsp.

Based on meeting the following criteria, I request consideration for the TEACH Grant for 2015-2016:

- I plan to teach in one of the high-need subject areas (Bilingual Education and English Language Acquisition, Foreign Language, Mathematics, Reading Specialist, Science, Special Education, or another teacher shortage area listed in the Department of Education’s Annual Teacher Shortage Area Nationwide Listing),
- I have a cumulative GPA (or transfer/high school GPA for new students) of 3.25, or scored above the 75th percentile on a college admissions test (e.g. SAT, ACT), and
- I am enrolled in a TEACH Grant-eligible Teacher Preparation program______________________________ name of major(s).

After submitting this form, I will:

- Complete the TEACH Grant online counseling session at www.mappingyourfuture.org.
- Complete the TEACH Grant Agreement to Serve at www.teach-ats.ed.gov.

Due to the sequestration, award amounts for any TEACH Grant that is first disbursed after March 1, 2015 must be reduced by 6.0 percent from the award amount for which a recipient would otherwise have been eligible. For example, the maximum award of $4,000 is reduced by $240, resulting in a maximum award amount of $3,760.

When all steps are complete, the Financial Aid Office will evaluate my eligibility, and notify me via email if a TEACH Grant award is paid.
