2015-2016 Taxable Tuition Benefit Worksheet

Student Name: ___________________________ Loyola ID: ___________________________
(Please print) (Your 11-digit Loyola ID number begins 0000.)

As a recipient of taxable tuition benefits for dependents of Loyola University Medical Center employees, students are requested to provide a copy of the Loyola employee’s 2014 federal tax transcript and W-2 forms. The amount of the taxable tuition benefit is reported as an inflated income for the Loyola University Medical Center employee, possibly precluding the student from receiving aid from other financial aid programs.

The Financial Aid Office’s review of the tax information will ensure that the student is receiving an accurate financial aid award, including tuition benefits. The Office of Student Financial Assistance will remove the amount of taxable tuition benefit reported on the employee’s W-2 Form so that the employee’s actual income from work is used to determine financial aid eligibility.

Attach a copy of the Loyola employee’s signed 2014 federal tax transcript with all schedules and W-2 Forms attached, and sign the bottom of this form.

Taxes missing signatures, schedules or W-2 Forms will be returned.

To get a copy of the 2014 federal tax transcript, you can request a copy from the Internal Revenue Service by calling: 1.800.829.1040.
