Connecting to Loyola’s Wi-Fi Network
1. Open **System Preferences**.

![System Preferences]

2. Select **Network**.

![Network]

3. Choose “Loyola.”

![Select Loyola’s network]

4. Click **Apply**.
Connecting a Mac to the Apple TV

1. Open System Preferences.
   ![System Preferences](image)

2. Select Bluetooth.
   ![Bluetooth settings](image)

3. Make sure Bluetooth is turned on.

Note: If you have not registered your device to Loyola’s network for a while, you will need to do this by following the Bradford Registration Instructions.
4. Once you are connected to Loyola’s Wi-Fi and Bluetooth is turned on you should see an AirPlay icon up at the top of your screen.
5. Click the AirPlay icon.
6. Select the name of the Apple TV you are wanting to connect to (the name of the classroom you are in).

Note: Only one device can be connected to the Apple TV at a time.

7. Your device will ask you for a 4-digit code that will appear on your screen.

Note: In order to see the 4-digit code on the projected screen, you will need to be displaying the Apple TV screen by selecting the correct source from the touch panel.

**Disconnecting a Mac from the Apple TV**

1. Select the AirPlay icon.
2. Choose Turn Airplay Off.
