Connecting to Loyola’s Wi-Fi Network

1. Open System Preferences.

2. Select Network.

3. Choose “LUC”.
4. Click **Apply**.

[Image of Click Apply button]

Note: If you have not registered your device to Loyola’s network for a while, you will need to do this before connecting to the Apple TV.

---

**Connecting a Mac to the Apple TV**

1. Open **System Preferences**.

   ![Finder interface showing System Preferences]

2. Select **Bluetooth**.

   ![Bluetooth options in System Preferences]

3. Make sure Bluetooth is turned on.
4. Once you are connected to Loyola’s Wi-Fi and Bluetooth is turned on you should see an AirPlay icon up at the top of your screen.
5. Click the AirPlay icon.
6. Select the name of the Apple TV you are wanting to connect to (the name of the classroom you are in).

Note: Only one device can be connected to the Apple TV at a time.

7. Your device will ask you for a 4-digit code that will appear on your screen.

Note: In order to see the 4-digit code on the projected screen, you will need to be displaying the Apple TV screen by selecting the correct source from the touch panel.

Disconnecting a Mac from the Apple TV
1. Select the AirPlay icon.
2. Choose Turn Airplay Off.
