Bradford (WIFI) Registration

Please follow the instructions below in order to access the Loyola University Chicago's wireless network at either the Lake Shore or Water Tower campus.

Enable Wireless Access
Be sure your device is setup to enable the discovery of wireless access points. On a MAC, make sure your Airport is turned on (located near the "clock" on your MAC). If the Airport is turned on, turn it off and turn it back on again to refresh the available wireless networks. Select the "Loyola" network and click "Join."

Enabling wireless on a PC can vary depending on the brand of laptop. Your laptop may have a button on either side of the device or may require you to suppress the "Fn" key with the appropriate F-key (e.g. F3), simultaneously. Once you have enabled the wireless on your pc, check for the Wireless Network Connection (WNC) located at the bottom of the screen near the "clock." Hover over the WNC and "right-click" in order to select the "View Available Wireless Networks" option. Select the "Loyola" network and click "Connect."

In order to access the Loyola wifi network, please register your device based on the appropriate campus location by visiting the corresponding website:

1. Lake Shore Campus / Woodstock (LUREC): netreg1.luc.edu
2. Water Tower Campus / Health Sciences Campus: netreg2.luc.edu
Please select the second option in order to register your device. Bradford WIFI IDs only provide you access to the wifi network, you cannot log in to a University machine.

Disclaimer
The guest access credentials are set for the conference and cannot be changed. If you should run into any problems registering your device or using the guest access credentials, please contact your University Sponsor or the ITS Helpdesk via telephone at 773.508.4487.
Completed the Guest Device Registration page, as shown above.
You should receive the page shown above. Per the instructions, please wait 30 seconds while your network connection is established. Once completed, the page below will appear.
Device Registration

SUCCESS
You have successfully registered on the network.
Please wait 0 seconds while your network connection is established.

Progress

If you have any questions, please contact the IT's HelpDesk at luc.edu/its/helpdesk or 773-508-4487.

Upon closing and reopening your browser, you should be able to access the internet and surf the web.
