Connect your Webcam

Share your Webcam
Connect your web cam to your computer prior to opening the BigBlueButton meeting room.

1. Click the **Webcam** icon at the top of the screen.

2. Select **Allow**.

3. A preview of your image will appear. Adjust the image by clicking **Change Webcam Settings** or change the dimensions of the image, if desired.

4. Click **Start Sharing**.

5. Your image will now appear in the webcam window.
