Share your Screen

Share your Desktop in Full Screen
Google Chrome is not compatible with screen sharing. The steps below reflect using the recommended browser Mozilla Firefox.

1. Click the **Share your Desktop** icon at the upper left-hand corner of the screen.

2. Select **Full Screen** to share your entire screen or **Region** to share part of your screen.

3. You may be prompted to allow Java to run, click **Allow**.

4. Use the dropdown arrow next to Java to select **Allow now**.

5. Click **OK**.

6. Click **Run**.

**Share a Region of your Desktop**

1. Select the share icon.
2. Choose **Region**.
3. Select **Run**.
4. Hover your cursor over the four point arrow in the middle of the box and click and drag the box to surround the area you wish to share. If you wish to resize the box, click and drag the arrow in the bottom left-hand corner of the box to resize the box.
5. Select **Start Sharing**.
