The Electronic Conference Room consists of three basic units: 1) LCD Monitor, 2) Auxiliary Wall Plate, and 3) Cable Box.

To Display Cable TV:
1. Use the touch buttons at the front, bottom right corner of the monitor to Power it on.
2. Press the Source button until you see the AV 2 input on screen.
3. Use the Cable remote to turn on the cable box and change channels.

To Display an Auxiliary Source:
1. Connect your source to the wall plate using the appropriate cables: Laptop (VGA), S-Video, or RCA.
2. Use the touch buttons at the front, bottom right corner of the monitor to Power it on.
3. Press the Source button on the monitor to cycle through the input options. Select PC for the Laptop input, AV 1 for RCA input, or S-Video.

Please Power Down the Monitor Before You Leave the Room
