Copy a Sakai Quiz URL

The directions below reflect using a test or quiz previously created and published in Sakai. For more information on tests and quizzes in Sakai, please refer to our resources on Sakai Tests & Quizzes.

1. Login to Sakai and select the Tests & Quizzes tool.
2. Select the Published Copies tab.

3. Choose the Select Action drop-down menu to the left of the test or quiz title.
4. Select Settings.

5. Choose the About this Assessment tab.
6. Copy the URL next to Published Assessment URL.

Note: In order for students to access a quiz in Sakai through a Panopto recording, they must be logged into Sakai and the quiz must be available.

Add a Sakai Quiz to your Recording

1. From Panopto, hover your cursor over your recording and select Edit.
2. From the event tab, select Add a new event.
3. Click the timeline at the point you would like the quiz to appear.
4. Enter a title for the event.
5. Paste the quiz URL in the text box next to URL.
6. Select OK.
