Reply to Messages

Sakai Messages require that you be within the Messages tool to send and reply to a message as an email. Thus, if you wish to reply to a message received in your luc.edu email account, you will be required to go back into Messages through Sakai. To reply to a message sent through email, simply click the link to your course at the bottom of the email message:

“This forwarded message was sent via LUC Sakai Messages from the "HIST 206 001 F12" site. To reply to this message click this link to access Messages for this site: HIST 206 001 F12.”

Please Note: You must reply to messages using the Sakai Message tool or the message will not be received. Clicking the link takes you back to the Sakai login page (if you are not logged in). When you log in to Sakai, it takes you to the course in question and directly into the Messages tool.

1. Go to your Received folder.
2. Click on the message.
3. Select Reply and then click the Send Cc box to make sure the reply is emailed.
