Adding Private Replies

Adding a Private Reply

1. Select the thumbnail of the comment you want to privately reply to.
2. Select **Private Reply**.

3. Add a comment.
4. Once the comment is saved, the comment will appear as a circle thumbnail directly under the original comment.

5. Only the person who created the reply and the person who made the original comment can view the reply. This is noted with a locked icon next to the reply.
