Notifications

VoiceThread will notify you when either a new comment is made on one of your VoiceThreads or a VoiceThread that has been shared with you.

1. **Recent Activity Notifications** are indicated by a yellow number next to your username.
   a. Select the down arrow of the notification to view activity.
   b. After selected the drop-down menu the notification will be removed.

2. **New Comment Notifications** are indicated by a yellow comment icon on the specific VoiceThread.
   a. Select the notification to play the video.
   b. Once all comments have been viewed, the notification will be removed.
