To access VoiceThread, click on VoiceThread from the course menu.

**Instructor using Course View**
1. This view will display VoiceThreads that have been shared with this course.
2. To watch a VoiceThread and to add comments, hover over a video and click play. The video will open in a new window and start to play automatically.

3. To share a VoiceThread with this course, click on the menu icon and select Go to VT Home. See How to Share a VoiceThread for details on sharing a specific VoiceThread with this course.

**Add a New VoiceThread**
1. To create a new VoiceThread, click Add Your Own.
2. Click on Add Media and select the method you want to use to upload your content.
3. Once the content is uploaded, select **Comment** to add a comment or select **Share and return to course** to have this VoiceThread shared with this specific course and return to Course View within Sakai.
