Ride a Bike!

Bike riding is a healthy, economical, environmentally friendly and a wonderful way to discover Chicago!

Bring your bike on all CTA trains except weekdays 7:00-9:00 am and 4:00-6:00 pm. (Note: if trains are too crowded, bikes may be prohibited.)

Rules to the Roads

You are given the same rights as a driver of a vehicle, and are subject to the same laws.

Bicycle riders are not allowed on expressways, and cyclists over the age of 12 are not allowed on sidewalks.

While there is no specific speed limit for bicycles, you must keep your speed reasonable and prudent under the existing conditions.

Ride as close as safe and practical to the right-hand curb, or vehicles parked on the right side of the roadway.

Signal your turns and lane changes.

Ride single-file.

If you ride after dark, you must use a headlamp and a rear reflector.

Do not carry more people than the number for which the bike, or the equipment attached to it, was designed.
Be prepared…

Register your bike

In case of theft you should register your bike with the Chicago CPD. You can register it online at www.ChicagoBikes.org/bikerегистration

- **Right**: Wear the helmet flat on the head, not tilted back at an angle!
- **Wrong**: Make sure the helmet fits snugly and does not obstruct the field of vision. Make sure the chin strap fits securely and that the buckle stays fastened.

Divvy bikes “get you around Chicago in a jiffy!” The Divvy Bike system is a great bike sharing system that allows you to pick up a bike for a quick commute at one of the hundreds of stations from Andersonville to Hyde Park. These bikes are an easy and affordable way to have a bike in the city, without the hassle of having to lock it up or carry it into your apartment! Here’s how it works (P.S. – you don’t need an annual membership to give it a try, a 24 hour pass is only $7 for unlimited 30 minute rides!):

1. **JOIN**
   - Purchase an Annual Membership online or get a 24-Hour Pass from any Divvy station. Annual Members will receive a unique Divvy key in the mail after completing their application.

2. **TAKE**
   - Annual Members simply dip their key into the slot at any station with an available bike. Those who buy a 24-Hour Pass will be given a code that they can type into the keypad on any dock with an available bike.

3. **RIDE**
   - You’ll get unlimited 30-minute trips for the duration of your Membership or Pass. Run an errand, grab a bite, commute to work or school. Remember to adjust your seat and wear a helmet.

4. **RETURN**
   - Lock the bike back at any station. Wait for the green light to confirm the bike is secure. Divvy crews are constantly monitoring and balancing stations to make sure stations are neither full nor empty.

5. **REPEAT**
   - Take as many trips as you want during your Membership or Pass period. Take any Divvy bike, any time! Enjoy getting around Chicago in a new way.

As always, be sure to wear a helmet!

The law school is located at 25 East Pearson in downtown Chicago. Luckily for us, there are five Divvy locations within just a few blocks:
- State Street and Pearson
- Michigan Ave. and Pearson
- Mies Van Der Rohe Way and Chicago Ave.
- Dearborn Parkway and Delaware Pl.
- Clark Street and Chicago Ave.

Here is a map of these locations, with a star for the law school:

The color of the bubbles indicates how many bikes are available at that location. Mostly dark blue = more available bikes; mostly light blue = more available docking stations. You can check this online at [https://www.divvybikes.com/stations](https://www.divvybikes.com/stations).
