Date of Proposed Competition: ________________________________

Is there a regional completion prior to the national competition?

How many schools tend to participate in this competition each year? __________

What schools specifically have competed or often compete in this competition?

How long has the competition been in existence?

Who are the judges of the competition? Please list specific names and titles of past judges.

Please explain the work required to prepare for this competition and the skills it will build.

Please explain what makes this competition unique from other competitions in which Loyola currently participates, and why it would benefit students and the school to participate.
Please give an idea of student interest in this particular competition- how many students you think would try out, etc.

Do you have potential coaches in mind to assist with this competition? If not, do you think that there are local attorneys who are well-versed enough in this subject matter to adequately prepare a team?

Please provide a budget estimate for this competition, including registration fees, printing costs, airfare and/or rental car expenses, hotel costs, food (Loyola’s per diem is $25 per student/coach per day), etc.
