4) Have you previously received credit for any subject matter covered in any of the courses listed above? Yes _____  No____

5) Requirements for Transfer of Credit

   a. You must have compelling reasons for seeking credit from another school. Relocation for the purpose of a job search is not considered to be a compelling reason to permit visiting status. A detailed letter explaining these reasons and a recent transcript must accompany this form.

   b. All requests for transfer credit should be approved prior to registration for that credit at another institution. Loyola retains the right to deny credit toward a Loyola degree for academic work that is not pre-approved for transfer credit. Any questions should be referred to Dean Faught, (312) 915-7131 or jfaught@luc.edu.

   c. As part of your application, the host law school will require a “Letter of Good Standing” (sometimes called a “Dean’s Letter”) from the Law Registrar Office, (Room 1203). You must go there and complete a request form for the letter.

   d. You must complete all required courses at Loyola. Required courses include Professional Responsibility, an approved perspective course as designated by Loyola, an approved skills course as designated by Loyola, an approved experiential course as designated by Loyola, Property, Civil Procedure, Torts, Constitutional Law, Criminal Law, Contracts, Advocacy, and Legal Writing I and II.

   e. Courses that you wish to be counted toward your Loyola degree must be approved prior to the beginning of each semester. You must complete and submit this form prior to the time that you register for courses at another school. You will be notified if a course is not approved.

   f. Loyola will not grant credit for ungraded, pass/fail or credit/no credit courses from another law school. Only courses in which all students receive a grade will be permitted to transfer to Loyola. (As a result, credit for externships, independent research projects and similar ungraded courses will not transfer back to Loyola.)
g. You must receive a grade of “C” or better (or its equivalent) for each course that is to transfer. You will not be granted credit at Loyola for transfer courses with a grade of less that “C” or its equivalent. (The grade of “C-” will not transfer to Loyola.)

h. Transfer grades will not be used to calculate your cumulative grade point average at Loyola, but will be used to calculate the denial or lowering (not achievement or improvement) of honors status at graduation. In other words, low grades at the host school will be used to deny or lower honors status based on Loyola grades only, and high grades will not be used to bring you into or improve honors status.

i. You are responsible for having your host school forward an official transcript of your work each semester. Credit will not be granted without receipt of an original transcript. Loyola will not submit the proof of legal studies document to bar examination authorities without and official transcript listing all transfer credits.

j. Before transfer credit will be awarded toward your Loyola degree, you must submit a check in the amount of $250 per semester payable to “Loyola University Chicago School of Law” to the Law Registrar’s Office, (Room 1203).

k. If you plan to sit for a bar exam other than the Illinois bar exam, you are responsible for sending the proof of legal studies form from that state’s bar examiners to the Loyola School of Law Registrar in order to have it completed and submitted to bar examination authorities.

Please signify that you understand these provisions by checking yes or no below.

6) If you will be a visiting student for a semester or more and you have taken out loans, you must meet with Loyola’s Office of Financial Aid located in the Sullivan Center at the Lake Shore Campus and obtain an approval below. The purpose of the meeting is to help you understand how your financial aid will be disbursed during the semesters of your visit.
