LETTER FROM THE DIRECTOR

Dear Student Leaders:

Student involvement is paramount to the Loyola University Chicago (LUC) experience. As you start your career at LUC, I invite you to explore the many co-curricular opportunities available to you to enhance your collegiate experience. The Loyola Experience will provide you with a platform to meet new people, broaden your horizons, explore your passions, and deepen self-knowledge.

Student Activities & Greek Affairs (SAGA) is where many students begin their involvement journey. Recognized Student Organizations, Sorority & Fraternity Life, and the Department of Programming ((dop)) are just some of the programs offered through SAGA. Participation in these programs will help you to enhance leadership skills, develop an appreciation of difference across cultures, and create a holistic collegiate experience. Although you are ultimately responsible for your Loyola Experience, we are here to guide and support you as you navigate your journey. I encourage you to think about the legacy you hope to leave at Loyola and how you will share your talents with a student organization, the LUC community, and the surrounding Chicago community.

Welcome to the LUC Family! We are grateful to be a part of your Loyola experience.

Sincerely,

Angela King Taylor
Director of Student Activities & Greek Affairs

STUDENT ACTIVITIES & GREEK AFFAIRS GUIDING STATEMENTS

PHILOSOPHY STATEMENT
We believe co-curricular involvement is an essential part of Loyola University Chicago. They provide students with a variety of opportunities to explore their interests across a multitude of disciplines and fields. Through a model of challenge and support we are committed to helping students develop into strong leaders and positive agents of social change.

UNIVERSITY MISSION
We are Chicago's Jesuit Catholic University-- a diverse community seeking God in all things and working to expand knowledge in the service of humanity through learning, justice and faith.

STUDENT ACTIVITIES & GREEK AFFAIRS MISSION
The mission of Student Activities & Greek Affairs (SAGA) is to offer opportunities for students to connect, learn, and engage beyond the classroom. Through shared experiences students gain a greater sense of self and community to foster positive social change.

LEARNING OUTCOMES
As a result of actively engaging with Student Activities & Greek Affairs umbrella programs (Special Events, Registered/Sponsored Student Organizations, the Department of Programming, and/or Sorority & Fraternity Life), undergraduate students will be able to . . .

• Identify at least three practical leadership skills they developed through their co-curricular experiences.
• Explain how their program engagement has resulted in a greater personal connection to the LUC community.
• Give an example of how their involvement in co-curricular experiences contributed to an awareness of personal and human identities.
• Identify two ways in which they positively impacted the LUC, Chicago, and global communities through their engagement activities.
**Student Activities & Greek Affairs Supports**

**Sorority & Fraternity Life (SFL)** provides a community in which students can cultivate lasting relationships based on the ideals of friendship, personal growth, and service to their community, under the principle of unity.

RECOGNITION

Each student organization given recognition by Loyola University Chicago is classified as a Recognized Student Organization - either Registered or Sponsored. Recognition affords student organizations multiple benefits which are articulated below.

Registered Student Organizations (RSOs)

RSOs are formally recognized by the University and are originated out of student interest – they are not directly connected or supported by a University department. RSOs are formed by currently enrolled students sharing a common goal or interest and have properly completed the necessary forms on time and agree to adhere to guidelines established by the University. RSOs regularly contribute to the campus community by hosting activities and/or opportunities for students to engage beyond the classroom. They clearly articulate a mission consistent with the University mission and are open to all students without regard to race, religion, color, gender, age, sexual orientation, ability, citizenship, or national or ethnic origin. Social sororities and fraternities, where applicable, may retain gender specific membership. Once registered with Student Activities & Greek Affairs, the RSO becomes eligible for certain privileges and access to University facilities.

In order to be recognized by Student Activities & Greek Affairs, RSOs must:

- Be controlled and managed by undergraduate students; enrolled in at least six credit hours
- Keep membership in the RSO open to all Loyola University Chicago students
- Identify at least 5 enrolled LUC undergraduate students as members, one of whom is willing to fulfill the requirement of being the President/Primary contact
- Abide by Federal, State, City, and University laws and policies
- Be a non-profit group
- Create and maintain a LUCentral account
- Create, maintain and abide by a constitution
- Have an advisor who is a full-time faculty/staff member of the University or a part-time faculty/staff member with approval from both their supervisor and the Director of Student Activities & Greek Affairs
- Abide by financial, risk management, and all other regulations specified in the Student Organization Handbook
- Abide by Community Standards and all other university policies
- Annually renew organization’s LUCentral registration

Statement on Registered Student Organizations

Loyola University Chicago reserves the right to register groups of Loyola students who wish to create formal organizations. Loyola’s policy is to encourage free discussion as part of the educational process. Registration of a student organization by Loyola University Chicago is an acknowledgment that the organization has complied with registration procedures.

The University grants all rights and privileges accorded to every registered organization. Registration does not indicate or imply that the University endorses the views of the organization’s membership or the views expressed at meetings. The individuals involved are solely responsible for any views held or expressed.

Only student organizations which maintain good standing as officially registered Loyola University Chicago student organizations by following all applicable policies and procedures are authorized to use University facilities or services, or be permitted to identify themselves, directly or indirectly, with the University name or credit. The University reserves the right to review the activities of student organizations and to monitor compliance with University policies. The authority to officially register student organizations is delegated by the Vice President for Student Development to the Director of Student Activities & Greek Affairs.
Privileges of Registered Student Organizations

Registered Student Organizations benefit by receiving access to University facilities, support, and services not available to non-registered groups or to the general public. These benefits include:

- Use of the University’s name in association with the organization’s activities
- Assignment of a Room Reservation login and use of University facilities in accordance with all applicable policies for meetings and activities
- Solicitation of membership on campus under the organization’s name
- Access to LUCentral, the student organization online management system. This is where you can create a webpage, store documents; manage rosters and a number of other valuable tools
- Listing of the organization in official publications of the University
- Use of campus bulletin boards and other designated posting areas
- Expertise of a faculty/staff advisor
- Access to the staff, resources, and services of the Department of Student Activities & Greek Affairs
- Ability to actively promote the goals, purpose, identity, programs, and activities of the organization
- Eligibility to participate in the fall and spring Student Organization Fairs
- Solicitation of funds (fundraising) on campus under the organization’s name, subject to the approval of the Dean of Students or designee
- A University fiscal account and accounting staff support
- Eligibility to be funded through the Student Activity Fund

Registered Student Organizations Expectations and Requirements

- Student organizations are expected to adhere to all applicable institutional regulations. The University reserves the right to determine the appropriate time, place, content, and manner for conducting activities, and posting and distribution of materials on any of its campuses.
- Student organizations are prohibited from hosting any events or programs during University breaks, holidays, finals, or the summer. The final permitted programming date for any given semester is the Sunday after the last day of classes.
- Student organizations are expected to exercise good judgment in planning and promoting their activities. The University may deny or restrict the activities of student organizations. Officers of student organizations are responsible for assuring compliance with procedures and policies as outlined in the registered student organization handbook and the Community Standards. The University prohibits the following types of activities: Eating contests, raffles, date auctions, fundraising at (or with) a bar/tavern, and other events at the discretion of the Student Activities & Greek Affairs staff.
- A student organization accepts responsibility for a member’s or group’s behavior when a) he/she is acting as a member of the organization, with or without official sanction, rather than as an individual student; b) an event is held, officially or unofficially, in the name of the organization; or c) the association between, or the action of the individual(s) is under circumstances which draw attention to the organization rather than to themselves as individuals.
- Organizations that have been suspended must adhere to the stated conditions of the suspension or face additional delay of reinstatement or possible permanent loss of registration. Loss of registration is an action by the University indicating a total and permanent separation of the group from the University. This includes total prohibition for the organization and its members or supporters to conduct any activity on the campuses of the University or at off-campus University associated events that in any way promote the goals, purposes, identity, programs, or activities of the organization.
- Any organization that financially obligates itself, whether through a member or officer for services, merchandise or facilities does so in the name of the organization and its members. The University is not responsible in any way for debts incurred by an organization.
- Presidents and Treasurers of registered student organizations must attend RSO E-Board Orientation.
- At least one executive board officer is required to act as the RSO delegate by attending monthly Campus Activity Network (CAN) General Assembly meetings- (3 per semester, 6 per academic year).

- An Activity Request is required for any RSO event or program; excluding on-campus general or e-board meetings. Activity Requests are completed by posting your event to the LUCentral calendar; this must be completed AT LEAST 14 days prior to the event date.

- RSO Advisors are required to sign and agree to the Advisor Agreement Form. The form acknowledges receiving and being familiar with University Policies and the Student Organization Handbook.

**Eligibility of Officers & Membership**

All members must be currently enrolled students at Loyola University Chicago. Graduate students may take active membership in an RSO, but may not hold office. The officers of all student organizations must be in good standing (not on academic or disciplinary probation as determined by the Office of Student Conduct and Conflict Resolution or the Department of Residence Life) at the time of their election or appointment and throughout their terms of office. Officers are required to be enrolled for at least six credit hours each semester during their terms of office. A student is considered to be in good academic standing as defined by the policy of their school or college. The University does not recognize the right of any organization external to the University to decide questions of membership.

For information/requirements regarding membership in social sororities and fraternities, please see “Social Sororities & Fraternities” section.

**Registered Student Organization Categories**

Student Activities & Greek Affairs has identified seven types of registered student organizations and reserves the right to approve the following category designations:

**Academic/Honorary:** Activities and membership center on a particular academic or collegiate course of study or curriculum; organizations which select members on the basis of achievement in a particular academic discipline.

**Cultural/Ethnic:** Activities and membership center on a particular ethnic or cultural group.

**Social Sororities & Fraternities:** Activities and membership center on the fraternity and sorority system. These organizations are governed by the Interfraternity Council (IFC), Multicultural Greek Council (MGC) or Panhellenic Councils.

**Media:** Student-operated publications which publish on a regular basis.

**Service/Spiritual:** Activities and membership involve primarily spiritual activities and/or development through volunteer and/or service projects.

**Political/Social Issues:** Organizations affiliated with local and/or national political bodies; activities and membership center on interest in a particular social issue or concern.

**Hobby/Special Interest:** Activities and membership center on a particular hobby and/or special interest area.

**Sponsored Student Organizations (SSOs)**

Sponsored Student Organizations are student organizations formally recognized by the University and are inherently linked to a University department. They are classified as sponsored as they are groups that are departmentally supported. The mission and operations of an SSO are considered critical to a specific
department and/or the University. The financial resources used to support an SSO come directly from a University department and therefore, SSOs are not eligible to receive funding through the Student Activity Fund, which includes Start-Up Funding.

**Privileges of Sponsored Student Organizations**

Sponsored Student Organizations privileges vary depending on department affiliation; however, at minimum they do receive the following benefits through Student Activities & Greek Affairs:

- Use of University’s name in association with the organization’s activities.
- Use of University facilities in accordance with all applicable policies for meetings and activities (facilities must be reserved through the department in which you are sponsored; SSOs do not receive login info).
- Solicitation of membership on campus under the organization's name.
- Access to LUCentral, the student organization online management system. This is where you can create a webpage, store documents; manage rosters and a number of other valuable tools.
- Use of campus bulletin boards and other designated posting areas.
- Expertise of a faculty/staff advisor designated by sponsoring department.
- Access to the staff, resources, and services of the Office of Student Activities & Greek Affairs.
- Ability to actively promote the goals, purpose, identity, programs, and activities of the organization.
- Solicitation of funds (fundraising) on campus under the organization’s name, subject to the approval of the Dean of Students or designee.
- Eligibility to participate in the fall and spring Student Organization Fairs.

**Sponsored Student Organizations Expectations and Requirements**

- Student organizations are expected to adhere to all applicable institutional regulations. The University reserves the right to determine the appropriate time, place, content, and manner for conducting activities, and posting and distribution of materials on any of its campuses.
- Student organizations are prohibited from hosting any events or programs during University breaks, holidays, finals, or the summer. The final permitted programming date for any given semester is the Sunday after the last day of classes.
- Student organizations are expected to exercise good judgment in planning and promoting their activities. The University may deny or restrict the activities of student organizations. Officers of student organizations are responsible for assuring compliance with procedures and policies as outlined in the student organization handbook and the Community Standards. The University prohibits the following types of activities: Eating contests, raffles, date auctions, fundraising at (or with) a bar or tavern, and other events at the discretion of the Student Activities & Greek Affairs staff.
- A student organization accepts responsibility for a member’s or group’s behavior when a) he/she is acting as a member of the organization, with or without official sanction, rather than as an individual student; b) an event is held, officially or unofficially, in the name of the organization; or c) the association between, or the action of the individual(s) is under circumstances which draw attention to the organization rather than to themselves as individuals.
- SSOs are expected to post their events (if open to non-members) by completing an Activity Request. Activity Requests are completed by posting your event to the LUCentral calendar; this must be completed AT LEAST 14 days prior to the event date.
- Sponsored groups are not required to attend workshops; they should receive their own departmentally specific trainings throughout the year; however, participation in RSO leadership workshops is open to SSO members.
- Members of SSOs are not required to attend monthly CAN General Assembly meetings; however, they are strongly encouraged to attend.
• SSO Advisors are expected to be knowledgeable of University Policies and the Student Organization Handbook.

**New Organization Application Process**

A group of five or more Loyola University Chicago students may apply to register a new student organization through SAGA. All new organization applications must identify 3 undergraduate individuals to serve in the following executive board positions: President/Primary Contact, Treasurer, and a Campus Activities Network (CAN) Representative.

The University reserves the right to limit the number of organizations with duplicate purposes. Here is a guide to creating and registering your organization. Groups seeking recognition under the Social Sorority & Fraternity category must follow the Sorority & Fraternity Life Expansion Policy (listed below).

**Registered Student Organizations (RSO)**

**Step 1**: Search our list of student organizations on LUCentral to determine if a similar organization exists.

**Step 2**: Submit your application to start a new Registered Student Organization

- Register on LUCentral if you have not already at www.luc.edu/lucentral
- Search for Loyola University Chicago community
- Click "Browse Organizations"
- Search "SAGA" in the browse organizations search bar
- Select the "SAGA" portal and enter
- Click on the "Forms" tab
- Complete the "New Registered Student Organization (RSO) Application Form" (be sure to upload a proposed membership roster of at least five LUC students, and upload a draft of your organization’s constitution)

**Step 3**: New registered student organization requests will be reviewed by the review panel. The review panel will minimally consist of a SAGA staff member, a student representative from the CAN e-board, and a SAGA graduate assistant. Prospective student organization members must attend a review session. Prospective members will be asked questions by the review panel before the final determination is made.

Types of questions the panel will be asking include:

- How does your organization relate to the mission of SAGA and the University?
- What events will be done to promote your organization?
- How will LUCentral be used within your organization?
- What is your organization offering the community that is unique?
- How will your organization sustain membership?
- How many years has your organization’s leadership been at Loyola and how does your organization plan on transitioning new leadership?

**Step 4**: After meeting with the review panel, a recommendation will be made to the Director of Student Activities & Greek Affairs regarding the status of your new student organization application.

If approved, your organization will be required to attend a mandatory New Student Organization Orientation before being eligible for all the benefits of being a Registered Student Organization. Orientation sessions are offered two (2) times per academic year and coincide with the registration deadlines. Approved organizations
must attend the New Student Organization Orientation to be eligible for Student Activity Fund (SAF) funding during the current academic year. Details about the orientation will be distributed with your approval materials.

If your application is unsuccessful, your organization must wait one calendar year before re-applying.

**Sponsored Student Organizations (SSO)**

Step 1: Search our list of student organizations on LUCentral to determine if a similar organization exists.

Step 2: Submit your application to start a new Sponsored Student Organization
- Register on LUCentral if you have not already at [www.luc.edu/lucentral](http://www.luc.edu/lucentral)
- Search for Loyola University Chicago community
- Click "Browse Organizations"
- Click "Register New Organization"
- Complete the online registration form (be sure to register as either an SSO, upload a proposed membership roster of at least five LUC students, and draft of your organization's constitution)

Step 3: A staff member from the Department of Student Activities & Greek Affairs will contact the student applicant to host a meeting between the student organization president or student primary contact and the sponsoring department listed advisor within 10 business days. The meeting will provide more details regarding the privileges and responsibilities required to maintain recognition as a Sponsored Student Organization.

Step 4: Following the meeting, official recognition will be granted to the Sponsored Student Organization should the sponsoring department agree to support the recognized student organization.

**Sorority & Fraternity Community (SFL)**

As a private institution, LUC chooses to carefully and intentionally manage the growth and expansion of the Greek community. LUC seeks organizations whose ideals are consistent with the University and that are willing to commit the resources necessary to cultivate a strong organization. The University’s overall goal with expansion is to positively grow the LUC Greek community and enhance the undergraduate experience. The process for expansion will always be initiated by the Office of Student Activities and Greek Affairs. The determination of readiness will be based on size and viability of the current community, availability of campus resources, and interest of unaffiliated students at LUC. The complete expansion policy can be found at [www.luc.edu/greeklife](http://www.luc.edu/greeklife).

**SOCIAL SORORITIES & FRATERNITIES**

*Applicable only to RSOs falling under the Social Sorority & Fraternity categorization and governed by the Interfraternity Council (IFC), Multicultural Greek Council (MGC) or Panhellenic Council (PHC).*

In accordance with the values of Sorority & Fraternity Life (SFL) at Loyola University Chicago (LUC), these rules shall serve as an additional measure of accountability to our sorority and fraternity community above and beyond the Loyola Community Standards. These rules were created by the Loyola sorority and fraternity community for the Loyola sorority and fraternity community to ensure that they hold themselves to the high standards set forth by our founders.

**Definition of Social Sororities & Fraternities**
Social sororities and fraternities are student organizations founded on the principles of sisterhood/brotherhood and based on the ideals of friendship, personal growth and service to the community. In partnership with the University, social sororities and fraternities promote the highest standards of scholarship, service, leadership, and unity.

Participation in a social sorority or fraternity is not specific to academic mission or area of interest.

The LUC Greek community is composed of three governing councils (Interfraternity Council, Multicultural Greek Council, and Panhellenic Council) and 19 chapters. For the remainder of this document a chapter will reference any social sorority or fraternity group that is recognized as a registered student organization with Student Activities & Greek Affairs.

Self-Governance

All social sororities and fraternities must affiliate with a governing council recognized by Student Activities & Greek Affairs. All organizations will respect the commitment to self-governance through active participation in the Greek community and Greek conduct process. The governing councils are:

**Interfraternity Council (IFC):** The Interfraternity Council was established for the purposes of: promoting friendship, understanding, and cooperation among the IFC fraternities and other segments of the University; providing fraternities with an official, representative student organization having power to oversee interfraternal issues; passing legislation, and representing fraternity opinion to the Student Government, faculty, administration, official university committees, and to stimulate a heightened awareness among fraternities and their members of our values; encouraging scholarship, intellectual acuity, and responsible citizenship, service, brotherhood, and diversity.

**Multicultural Greek Council (MGC):** The Multicultural Greek Council at LUC serves as a governing body that seeks to maintain high standards in the life of culturally-based sororities and fraternities by addressing, coordinating and developing strategic programming. MGC seeks to unify organizations within the council to promote higher education, provide community service opportunities, enhance leadership abilities, and serve as a liaison between other Greek Councils, the university student body, as well as the administration, thus meeting individual and collective needs, voicing concerns and improving campus life.

**Panhellenic Council (PHC):** The object of the Panhellenic Council shall be to develop and maintain sorority life and interfraternity relations at a high level of accomplishment and in so doing to: consider the goals and ideals of member groups as continually applicable to campus and personal life; promote superior scholarship as basic intellectual achievement; cooperate with member organizations and the LUC administration in concern for and maintenance of high social and moral standards; act in accordance with the National Panhellenic Conference UNANIMOUS AGREEMENTS and policies; act in accordance with such rules established by the Panhellenic Council as to not violate the sovereignty, rights, and privileges of member organizations; promote philanthropy service to our University and surrounding communities.

All recognized social sororities and fraternities must also affiliate with one of the National Governing Councils listed below and have completed the LUC Greek expansion process:

- North-American Interfraternity Conference (NIC) – [www.nicindy.org](http://www.nicindy.org)
- National Panhellenic Conference (NPC) – [wwwnpcwomen.org](http://wwwnpcwomen.org)
- National Association of Latino Fraternal Organizations, Inc. (NALFO) – [www.nalfo.org](http://www.nalfo.org)
- National Multicultural Greek Council, Inc. (NMGC) – [www.nationalmgc.org](http://www.nationalmgc.org)
Criteria for Membership

The Loyola University Chicago Sorority & Fraternity Life community participates in deferred recruitment. LUC requires that a potential new member or candidate for membership meet the following criteria:

- Be enrolled as a full-time undergraduate student
- Earn at least a 2.5 cumulative GPA
- Earn a minimum of 12 credit hours at Loyola University Chicago or transferred to Loyola University Chicago with a minimum of 12 credit hours from another college or university (post high school graduation)
- Be in good disciplinary standing with the University

Additional membership requirements are governed by the individual sorority and fraternity national/international membership intake guidelines. Please see the Deferred Recruitment Policy for additional details here: [www.luc.edu/media/lucedu/greeklife/pdfs/Final%20Deferred%20Recruitment%20Policy.pdf](http://www.luc.edu/media/lucedu/greeklife/pdfs/Final%20Deferred%20Recruitment%20Policy.pdf).

LUC respects the right of the recognized sorority and fraternity chapters to select its membership as outlined in its membership intake/recruitment procedures, so long as these procedures do not violate University policies or local, state, and federal laws. New members (candidates, pledges, aspirants) are defined as individuals that have consented to begin the education/intake process leading up to initiation. At the time of initiation a new member will become an active member of the LUC sorority and fraternity community and their respective chapter.

Greek Standards and Awards Program

The Greek Standards and Awards Program (GSAP) is designed to assist chapters in achieving the highest level of excellence possible in programming and chapter management. The applications for each of the five (5) categories outline actions and policies of an ideal chapter. The process for preparing an award application in and of itself will assist the chapter in evaluating its programs and management. Submission of an application gives the chapter an opportunity to have its programs evaluated by Loyola faculty/staff that will provide written and verbal feedback.

All Chapters are required to complete an application consisting of all five (5) categories every year, which include:

- Academic Achievement
- Risk Prevention & Accountability
- Community Service & Philanthropy
- Leadership & Membership Development
- Chapter Management

For specific instructions and required material, visit [www.luc.edu/greeklife](http://www.luc.edu/greeklife).

Risk Management for Social Sororities & Fraternities

The physical and emotional well-being of individual members as well as the financial security and reputation of the individual chapter are of great importance to the success of any social sorority or fraternity at LUC. To promote such an environment all social sororities and fraternities are required to follow all Fraternal Information and Programming Group (FIPG) and LUC Community Standards policies. Each of the following categories is of significant importance and more information can be found by referring to the associated link.
Hazing:
Hazing is a broad term encompassing actions or activities often associated with initiation or group associations which inflict or attempt to cause mental or physical harm or anxiety, or which demean, degrade, or disgrace any person, regardless of location, intent, or consent of participants. Hazing can also be defined as any behavior that intentionally or unintentionally endangers the physical or mental health of a student for the purpose of initiation, full admission, or affiliation with any organization or group. Any activity that promotes a class system or subjects a certain sub-group to subservience in any form may also be considered hazing. Hazing is expressly prohibited by the University and by Illinois law (720 ILCS 120). Actions and activities that are explicitly prohibited can be found in the Community Standards at www.luc.edu/osccr and at www.hazingprevention.org.

Alcohol and Drugs: (For a complete list of requirements: www.fipg.org)
Organizations must comply with all FIPG policies, their organization’s risk management policies, and the LUC Community Standards policies. If policies differ, organizations must follow the more stringent policy.

- The possession, sale, use or consumption of ALCOHOLIC BEVERAGES, during a fraternity event, in any situation sponsored or endorsed by the chapter, or at any event an observer would associate with the fraternity, must be in compliance with any and all applicable laws of the state, province, country, city, LUC.
- No alcoholic beverages may be purchased through or with chapter funds nor may the purchase of same for members or guests be undertaken or coordinated by any member in the name of or on behalf of the chapter. The purchase or use of a bulk quantity or common source(s) of alcoholic beverage, for example, kegs or cases, is prohibited.
- OPEN PARTIES, meaning those with unrestricted access by non-members of the fraternity, without specific invitation, where alcohol is present, are prohibited.
- No members, collectively or individually, shall purchase for, serve to, or sell alcoholic beverages to any minor (i.e., those under legal drinking age).
- The possession, sale or use of any ILLEGAL DRUGS or CONTROLLED SUBSTANCES while on chapter premises or during a fraternity event or at any event that an observer would associate with the fraternity is strictly prohibited.
- No chapter may co-sponsor an event with an alcohol distributor or tavern (tavern defined as an establishment generating more than half of annual gross sales from alcohol) at which alcohol is given away, sold or otherwise provided to those present. This includes any event held in, at or on the property of a tavern as defined above for purposes of fundraising. However, a chapter may rent or use a room or area in a tavern as defined above for a closed event held within the provisions of this policy, including the use of a third party vendor and guest list. An event at which alcohol is present may be conducted or co-sponsored with a charitable organization if the event is held within the provisions of this policy.
- No chapter may co-sponsor, co-finance or attend or participate in a function at which alcohol is purchased by any of the host chapters, groups or organizations.
- All recruitment/intake activities associated with any chapter will be non-alcoholic. No recruitment or rush activities associated with any chapter may be held at or in conjunction with a tavern or alcohol distributor as defined in this policy.
- No member or pledge, associate/new member or novice shall permit, tolerate, encourage or participate in “drinking games.” The definition of drinking games includes but is not limited to the consumption of shots of alcohol, liquor or alcoholic beverages, the practice of consuming shots equating to one’s age, “beer pong,” “century club,” “dares” or any other activity involving the consumption of alcohol which involves duress or encouragement related to the consumption of alcohol.

**Serenade Guidelines**

The purpose of Serenades is to serve as an introductory performance of new members to another fraternity or sorority. It is also an opportunity to congratulate another organization on a successful recruitment or start to the academic year. Serenades originated during the medieval period as a musical means of showing affection and honor for an individual. We believe that this tradition promotes and fosters a positive serenade experience. It should also be fun for everyone involved, those performing and those being serenaded. The Serenade should be a representation of the values of the organization. Organizations are encouraged to check into their National/International organization guidelines in addition to the university’s guidelines.

**New Member Presentation Guidelines**

Chapters hosting New Member Presentations must follow the New Member Presentation Guidelines. New Member Presentations shall be defined as the presentation of new initiates into an organization (i.e. “New Member Reveal,” “probate,” etc.). In order to ensure that all New Member Presentations represent the organization and institutional values and mission, the New Member Presentation guidelines will be used by Loyola University Chicago recognized social sororities and fraternities when planning their event.

**Philanthropy Guidelines**

Chapters wishing to host Philanthropy events/weeks, must follow the joint Council Philanthropy Guidelines. The purpose of the Interfraternity and Panhellenic Council Philanthropy Program Guidelines is to decrease issues of over-programming, increase unity and healthy competition among the community, and help chapters’ sponsor strong well-planned philanthropy events at Loyola University Chicago.

**Greek Conduct Board**

Violations of the Student Organization Handbook, Community Standards, and the Governing Council Bylaws and Policies may be directed to the Greek Conduct Board. The Greek Conduct Board (GCB) is a select group of undergraduate sorority and fraternity members that hear cases of alleged misconduct. The GCB shall have jurisdiction over all men’s, women’s, and co-educational social fraternities and sororities at Loyola University Chicago (LUC).

The responsibilities of the GCB are:

1. To educate Greek students both as to the responsibilities inherent in being a member of the Greek community and the University community and of those rules and regulations that govern the Greek community.
2. To provide a peer level hearing body which is aware of and sensitive to the needs and problems within the Greek community as well as the University’s conduct philosophy.
3. To provide those students who serve on the board opportunities for leadership and service to the Greek and Loyola community.
ANNUAL ORGANIZATION REGISTRATION RENEWAL

Annual Registration Deadline

Registered Student Organizations are required to renew registration annually through LUCentral by July 1st. Missing this registration renewal deadline will result in a freeze on allocated funds, revocation of Start-Up funding, and your organization will not be permitted to participate in the Student Organization Fair. Groups or organizations that allow their registration to lapse are denied all rights and privileges accorded student organizations and should not operate on University campuses. Repeated attempts to operate without University registration could result in disciplinary action against the individual students involved.

Sponsored Student Organizations are required to renew registration annually through LUCentral by July 1st. Missing this registration renewal deadline will result in loss of participation in the Student Organization Fair. Groups or organizations that allow their registration to lapse are denied all rights and privileges accorded student organizations and should not operate on University campuses.

For information about priority deadlines, visit http://luc.edu/saga/studentorganizations/infoforcurrentmembers/annualorganizationrequirements/

Renewal Directions

Annual registration renewal involves updating your LUCentral portal in preparation for the coming academic year. E-board contact information, the organization’s constitution, advisor approval, and all other organization information should be updated.

For step-by-step registration renewal instructions, visit www.luc.edu/saga/studentorganizations/infoforcurrentmembers/annualorganizationrequirements/directionsforregistrationrenewal/

ORGANIZATION MANAGEMENT

Common Executive Board Positions

RSOs have a right to structure their organizations to best meet their individual needs and to accomplish the organization’s mission and goals.

At a minimum, RSOs must identify at least 3 individuals to serve in the following e-board positions. The following required e-board positions include: President/Primary Contact, Treasurer, and a Campus Activities Network (CAN) Representative. Additional common e-board positions include Vice President, Secretary, Social Media Coordinator, or Service Chair. The President/Primary Contact and Treasurer positions may not be held by the same individual.

Executive Board Expectations

RSO e-board members are expected to fulfill their roles and expectations of their job description as determined by their organization’s constitution. E-board members act on behalf of the organization and are held responsible both individually and as an organization when acting on behalf of that organization.
E-board members are expected to communicate with SAGA and other campus resources when needed. While SAGA should be utilized for support, the E-board is responsible for leading the organization. E-board members are also highly encouraged to attend the various workshops and programs designed to support student leaders.

**Organization Constitution**

It is critical that RSOs have and maintain an organization constitution. An RSO’s constitution should be the guiding document for the organization, and all matters related to an RSO must comply with the organization’s constitution. RSOs are required to have a current constitution and review the constitution annually, in order to renew annual registration as an official RSO. SAGA will only recognize the constitution which is located on LUCentral. For some tips on how to draft or edit a constitution for your organization, you can find a constitution template, as well as a sample constitution here: [www.luc.edu/saga/studentorganizations/infoforcurrenmtmembers/organizationconstitution/](http://www.luc.edu/saga/studentorganizations/infoforcurrenmtmembers/organizationconstitution/).

At minimum, an organization's constitution must provide:

- Basic operating procedures of the organization
- Non-discrimination statement (Should be copied from the template.)
- Dues
- Advisor information

ACTIVITY REQUIREMENTS

Activities can be the hallmark for Registered Student Organizations. With more than 200 registered student organizations Loyola University Chicago provides a vibrant, diverse, and robust series of activities. There is a lot of hard work and dedication required to make any activity successful. It is the responsibility of every RSO to fully understand all activity polices and requirements.

Activity Request

RSOs are required to complete and submit an Activity Request, via LUCentral, a minimum of 14 days in advance of any RSO event or program – this DOES NOT include on-campus general or e-board meetings. A Student Activities & Greek Affairs staff member will review the request and will send a confirmation of receipt and request response via LUCentral within 1 week of submission. Failure to respond to inquiries from SAGA may result in the cancellation of your event.

For directions on how to submit an Activity Request, visit: www.luc.edu/saga/studentorganizations/infoforcurrentmembers/activityrequest/.

Non-SAF Funded Activity Requirements
- Complete activity request.
- All activities must adhere to University or SAGA policy and federal, state and local laws.
- Student organizations are prohibited from hosting any events or programs during University breaks, holidays, finals, or the summer. The final permitted programming date for any given semester is the Sunday after the last day of classes.
• All revenues generated from activities that are not supported by the SAF must be deposited into your student organization’s University Revenue (2510) account.

Additional Requirements for SAF Funded Activity
• All requirements for Non-SAF Funded Activities
• The activity must be planned primarily for Loyola University Chicago undergraduate students and be open to the general University community.
• The activity is appropriate based on the mission and goals of the organization.
• All promotion materials must include that the event is sponsored or funded by the Student Activity Fund (SAF).
• All contracts, check requests, credit card requests, etc. must be submitted by the appropriate deadlines.
• All receipts must be submitted within 48 hours of the activity. In the event that the activity falls on a weekend, all receipts must be submitted by 5pm the next business day. Remember to reflect tipping, if applicable. If your organization fails to submit a receipt by the deadline on more than one occasion, your credit card payment privileges will be revoked for the remainder of the semester.
• All revenues generated from SAF-supported activities must be deposited into your student organization’s main University account. Revenue from SAF fundraisers can be requested for donation to a 501(c)(3) non-profit organization, or it will get swept back to the SAF for re-allocation.

Contracts

Registered Student Organizations may establish agreements with non-Loyola businesses or individuals for services. Any time an RSO establishes an agreement for services (anything other than tangible goods) with an off-campus individual, group, or company, an LUC Event Agreement or LUC Contract Rider must be used (regardless of cost or fee – contracts must be submitted even when there is no payment associated with the contract). All agreements/contracts must be signed and executed by Student Activities & Greek Affairs.

Step-by-step instructions for submitting a contract can be found here: www.luc.edu/saga/studentorganizations/infoforcurrentmembers/contracts/submittingcontracts/

Students must never sign a contract! Loyola University Chicago will not be responsible, financially or otherwise, for any verbal or written agreements entered into by students, student organizations, or unauthorized University faculty and staff advisors. RSOs or individual RSO members themselves are not permitted to contract with outside parties, and should never sign a contract. A member of the Office of the Vice President of Student Development must review and sign the agreement before it is valid.

Violation of this policy is a serious offense and will be referred to the Student Conduct System for failure to comply. RSOs or RSO members may also be held financially responsible for any monetary damages or personal contractual agreements.

Blank templates of contracting documents can be found here: www.luc.edu/saga/studentorganizations/infoforcurrentmembers/contracts/

If the library does not hold the screening rights to a film, those rights can be purchased online through www.colleges.swankmp.com.
Free Expression, Demonstration, and Fixed Exhibit Policy

Loyola University Chicago is a Catholic, Jesuit university located in one of the most vibrant and diverse urban centers in the world. As an institution committed to social justice and higher education in the Jesuit tradition, the University community recognizes the importance of its role as a “marketplace of ideas” where freedom of inquiry and open exchange of conflicting viewpoints is generally supported and encouraged.

As a private university, however, Loyola reserves the right to limit or otherwise regulate organized demonstrations and exhibits that disrupt the operations of the University, threaten the safety or well-being of the University community, or otherwise run contrary to the University’s Catholic, Jesuit mission and heritage. Such regulations may be imposed at the discretion of the University and may be based on the time, place, manner, content, and/or viewpoint of the proposed demonstrations and exhibits.

The full policy can be found in the Community Standards, Article V, 507: http://luc.edu/media/lucedu/osccr/pdfs/2015-2016%20LUC%20COMMUNITY%20STANDARDS.pdf

Political Activities
Loyola University Chicago encourages all students, faculty and staff to be politically active, supporting the candidates and causes of their choice. Political activity is an important expression of citizenship, and the exploration of opposing points of view on matters of public policy is an important and vital learning opportunity.

As a tax-exempt, charitable institution, however, Loyola University Chicago is subject to the rules and regulations of the Internal Revenue Code which prohibit the University from participating or intervening in any political campaign or in any partisan political activity. Federal Election Commission regulations also place additional limitations on political activity at educational institutions.

For those reasons when registered student organizations are planning any political activities please consult the University’s Guidelines for Political Activities Policy (www.luc.edu/policy).

Gambling (Raffles) Policy
Gambling, raffles, and unauthorized games or contests of chance are prohibited when associated with a recognized student organization. “Raffle” means any event requiring a fee for, or to increase, a chance to win a prize. For more specifics on the gambling policy, please see the Community Standards.

Posting Policy
Student organizations may post and distribute print materials on-campus. All materials must indicate the name of the posting student organization. If funded through the student activity fund (SAF), the SAF must be listed as a co-sponsor. All materials written in a foreign language must include the equivalent English translation. Students may advertise activities with posters and/or flyers in campus buildings and residence halls, with the understanding that different buildings may have different guidelines. It is the responsibility of the RSO to seek approval from each individual building it wishes to post and distribute in. The right to post on campus is limited and governed by the policy listed in the Community Standards which can be found on the SAGA website.

Materials may not be approved if they contain:
- Any reference to illegal substances, unless in connection with an anti-drug message
- Offensive language, images, and/or graphic illustrations
- Language and/or graphic illustrations that dehumanize individuals based on race, age, color, sex, religion, sexual orientation, national or ethnic origin, disability, or any other characteristic protected by applicable law
- Any information that violates local, state, or federal law or University policies
• References by undergraduate student organizations to the use, sale, or possession of alcohol at an event sponsored by the organization
• Material that is contrary to the values of a Jesuit, Catholic university

Only staples, tacks or masking tape may be used to post flyers. Materials may be posted only on bulletin boards in hallways and classrooms designated for general use. Postings may not cover, deface, or remove the posted materials of another organization. The appropriate office or department that manages the space in question must approve all postings.

The use of sidewalk chalk is prohibited.

The organization and the individual students participating are jointly responsible for the content of posted materials. The group must ensure that no University policy is violated and that the material is not offensive to the campus community.

The University reserves the right to regulate locations on-campus where distribution of materials can occur. For approved activities, a place for distribution will be assigned and tables, chairs, or booths may be provided. Materials may not be distributed outside buildings where normal flow may be impeded or inside buildings and offices, except from reserved tables/booths. Materials may not be placed on car windshields.

**Solicitation Policy**
Solicitation is an attempt to approach the campus community with the intent to sell, request or promote an idea, product or service. The right to solicit on campus is limited and governed by the policy listed in the Community Standards which can be found at [www.luc.edu/osccr](http://www.luc.edu/osccr).

**Speaker Policy**
Loyola University of Chicago is committed to standards promoting speech and expression that foster the maximum exchange of ideas and opinions. The Speaker Policy aims to assure the promotion of opportunities for the free expression and exchange of ideas, the lessening of conflict between the exercise of that right and the rights of others in the effective use of University facilities, the reduction of possible interference with the University's responsibilities as an educational institution, and the preservation of the University's status as a 501(c)(3) tax exempt organization.

Furthermore, the policy is designed to ensure adequate preparation for an event and to ensure that the event occurs in a manner appropriate to an academic community. The University reserves the right to cancel, reschedule or relocate a speaker or an event in those rare occurrences where an individual, a speaker or an event might create safety concern, or where the University may be used as a platform to disparage the Catholic identity or mission of the institution.

For the full explanation of the University's Speaker policy please see [www.luc.edu/policy](http://www.luc.edu/policy).

**Ticket Sales/Distribution**
Recognized student organizations are permitted to sell tickets to their activities, both to the Loyola University community and to the greater Chicagoland community. All pre-sale ticket sales must be done through the Damen Student Center or Terry Student Center Information Desks. If an RSO is selling tickets at the door of an event, those ticket sales need to be done through the use of a SAGA Cash Box (see the Cash Box Policy).

To sell tickets at the Damen Student Center or Terry Student Center Information Desks, organizations must complete a Ticket Distribution Form found on LUCentral. All ticket sale revenues will be deposited into the RSO's University Account or swept back into the SAF unless specified as a fundraiser.
RSOs must use the Ticket Distribution Form (https://orgsync.com/10580/forms/21093) any time an organization is pre-selling tickets to an activity either on or off campus. Ticket distribution forms must be submitted 7 business days prior to your ticket sale start date. All pre-sale tickets will be sold at the Damen Student Center or Terry Student Center Information Desks and all revenues will be transferred to the RSOs University Account unless specified as a fundraiser. Physical tickets must be submitted to the Damen Student Center Information Desk at least 3 business days prior to ticket sale start date.

Hazing Policy
Hazing is a broad term encompassing actions or activities often associated with initiation or group associations which inflict or attempt to cause mental or physical harm or anxiety, or which demean, degrade, or disgrace any person, regardless of location, intent, or consent of participants. Hazing can also be defined as any behavior that intentionally or unintentionally endangers the physical or mental health of a student for the purpose of initiation, full admission, or affiliation with any organization or group. Any activity that promotes a class system or subjects a certain sub-group to subservience in any form may also be considered hazing. Hazing is expressly prohibited by the University and by Illinois law (720 ILCS 120). Actions and activities that are explicitly prohibited can be found in the Community Standards at www.luc.edu/osccr and at www.hazingprevention.org.

**OBTAINING FUNDING**

**SGLC Responsibilities – Allocation of SAF funds**

The Allocations Committee is comprised of Student Government of Loyola Chicago (SGLC) senators who are elected through SGLC elections. The Committee is responsible for the allocation of money, collected from the Student Development Fee, to RSOs that have submitted complete budget requests by the stated deadline.

The Allocations Committee operates when classes are in session. The Committee:

- Reviews all eligible budget requests
- Deliberates and votes how much funding to allocate to each request, based on a structured set of guidelines and available funding in the SAF
- Makes policy and procedural recommendations to Student Activities & Greek Affairs

**SAGA Responsibilities – Management of funds**

The management of the Student Activity Fund is controlled by SAGA after allocations decisions have been made by the SGLC Allocations Committee. SAGA is responsible for authorizing budget transfers and expenditures on student organization accounts, overseeing the day-to-day operations of the Student Activity Fund, and to support student organizations’ financial planning. The Vice President for Student Development has jurisdiction of the Student Activity Fund program. They reserve the right to give final approval on all allocations of Student Activity Funds.
Eligibility for Access to Funding

RSOs who wish to request SAF funding or utilize their organization’s revenue must first be in good standing with Student Activities & Greek Affairs. In order to be in good standing, RSOs must:

- Renew organization registration annually each summer with Student Activities & Greek Affairs. Provide SAGA with an updated member roster annually and any officer changes throughout the year
- Send the President and treasurer to the RSO Orientation annually
- Have no outstanding financial lapses (e.g. missing receipts, incomplete payments)
- Have resolved any SAF and/or conduct policy violation(s)

Groups who failed to attend required annual workshops and/or did not renew organization registration by July 1st will be ineligible for $100 in Start-Up Funding, will not be permitted to participate in the fall Student Organization Fair, and will have their account frozen until re-registration is complete.

RSO University Accounts

Every Registered Student Organization is eligible to open a six digit University account. University accounts offer RSOs the ability to: be tax-exempt for purchases pre-arranged through SAGA, purchase goods or services through on-campus vendors (Aramark catering, copy center, etc.), have secure accounting practices and record keeping and limit the individual risk associated with having an outside bank account.

There are two kinds of accounts that are available to Registered Student Organizations. Anytime SAF funding is involved, organizations should utilize their Budget account. Organizations also have access to a Revenue account (10XXXX-2510); monies in an organization’s revenue account roll over from year to year and are never swept (removed).

Access to your University account is limited to the individuals listed as an administrator in your LUCentral registration profile. Those individuals are expected to attend one RSO Orientation per academic year.

Sources of Funding

SAF: The Student Activity Fund (SAF) has been established to promote activities planned by student organizations that enhance the quality of student life at the University. The SAF is comprised of student development fees paid each fall and spring semester by full-time undergraduate students at Loyola University Chicago. All funds allocated to Registered Student Organizations (RSOs) are deposited into the RSOs University account. These funds are subject to the rules, procedures and policies of Loyola University Chicago. It is the responsibility of each organization’s current officers and advisor to abide by all Student Activity Fund policies and procedures as set forth, as well as any applicable University policies and federal, state, or local laws.

There are two types of funding cycles:

1. Semester Budget Request (SBR): SBRs are structured to provide funding for organizations’ events and programs over the course of a single semester. The SBR budget cycle occurs twice an academic year – once in the spring and once in the fall. Requests must be made during the SBR process one term before the scheduled event or program. All SBR hearings will be heard by the SGLC Allocations Committee on specified dates during both fall and spring semesters. As with any funding or expenditure request, late or incomplete submissions will not be accepted. See luc.edu/saga for a complete funding schedule.

2. SPOT Funding Requests - SPOT requests are for programs not included in the organization’s Semester Budget Request (SBR). The SPOT budget cycle occurs twice an academic semester. Requests must be made during the same semester as the scheduled event or program. RSOs
may submit SPOT funding requests for up to 2 events per SPOT cycle. All SPOT hearings will be heard by the SGLC Allocations Committee on specified dates during both fall and spring semesters. As with any funding or expenditure request, late or incomplete submissions will not be accepted. See luc.edu/saga for a complete funding schedule.

**Start-Up Funding (SUF):** Start-Up Funding is a budget of $100 that is provided at the beginning of each semester to RSOs that are in good standing with the Student Activities & Greek Affairs office.

Purchases from SUF must satisfy student organizations' needs surrounding initial recruitment and promotion within the first six weeks of a semester. This includes:

- Copier charges
- Promotional items/giveaways, excluding t-shirts
- Food for recruitment programs (Think “Meet & Greet” or Info Sessions) early in the semester.

SUF does not fund:

- Costs associated with any SAF-funded event
- Food for organization meetings

The $100 SUF budget line will be posted to your SPOT funding cycle for the semester. Treat it like any other SAF budget line: to use the money, submit an LUCentral payment request via the budget line. SUF will not roll over beyond the semester in which it is allocated.

For funding sources managed by other departments, click here: http://luc.edu/saga/studentorganizations/infoforcurrentmembers/fundingsources/

**Requesting Funding**

RSOs may request SAF funding through a Semester Budget Request (SBR) or SPOT funding cycle. SAF funded events have a number of requirements and restrictions. Step by step instructions for filling out funding requests are covered in the RSO Orientation and can be found on the SAGA website (www.luc.edu/saga/studentorganizations/infoforcurrentmembers/budgetrequestprocesses/).

**Expectations:** Keep in mind that the Allocations Committee routinely receives more requests than the SAF can fund. In order to set your organization up for success, be sure to familiarize yourself with the funding guidelines below. **Remember that even the most thorough budget request could be denied due to lack of SAF funds.**

**Documentation:** As part of submitting a budget request from the SAF, student organizations must provide documentation for the items that they are requesting within their budget. Lack of adequate documentation is the number one reason for budget requests getting denied. Simply put, the Allocations Committee should be able to verify your requested budget amount through the documentation submitted. When considering what documentation to provide, think to yourself: "How can I inform the Allocations Committee of how I arrived at the budget amount we are requesting?" A packet of documentation examples is available on the SAGA website. Additional help is available throughout the year in the Office of Student Activities & Greek Affairs or during Allocations Committee office hours.

All SAF requests must meet the following eligibility criteria:

- The event or program must be planned primarily for Loyola University Chicago undergraduate students and be open to the general University community.
- The request is appropriate based on the mission and goals of the organization.
- The SBR or SPOT request is submitted to the Allocations Committee by applicable deadlines, using the appropriate official forms and proper procedures.
• An undergraduate organization member (preferably the listed contact person) should attend the Allocations Committee hearing and be prepared to speak about the event and answer questions.
• The event must fall between the first day of class and the last day of class during the semester. No funding is available for events over breaks, holidays, or finals (see University calendar).

The following types of requests for SAF funding are prohibited, but not limited to:
• Any event or program NOT open to the general LUC undergraduate community;
• Memberships or dues, private lessons, or payment of salaries (i.e. ongoing payments);
• Non-current expenses (e.g. bills from a previous year);
• Expenses related to conference attendance (e.g. travel costs, registration, etc.);
• Food at regularly scheduled meetings or organizational receptions and dinners exclusive to that organization;
• Personal clothing unless it is considered integral to the production of an event (i.e. costumes, but not club t-shirts);
• Any type of athletic or reusable equipment;
• Political activities or activities sponsored by an outside political entity (see Guidelines for Political Speakers for more details, LUC.edu/policy);
• Any type of straight contribution in any form or manner including political or religious donations;
• Residential maintenance or repairs;
• The purchase of alcoholic beverages;
• The purchase of bottled water (includes gallon size and larger);
• Taxes of any kind (except hotel service taxes or other non-sales related tax required by law);
• Activities that are exclusive to the membership of a particular organization (e.g. retreats);
• Rental of off-campus venues that will only be used for a business meeting, athletic practice or internal purpose;
• Newsletters or other subscriptions;
• Ad space in the Loyola Phoenix;
• Any costs related to or in support of raffles, illegal gambling, or other illegal activity;
• Activities and/or programs which advocate a position contrary to the University’s Jesuit, Catholic tradition.

Performance Bid Form
• RSOs should use this form to secure a quote from any off-campus individual, group, or company. This form is not a contract, but can be used as an official quote for the purposes of securing SAF funding through the Allocations Committee. This form can be used for getting a quote from guest speakers, comedians, musicians, DJs, etc. and can be found here: https://orgsync.com/10580/files/267207/show.

Budget Appeals

Registered student organizations may file an appeal of the Allocation Committee’s funding decisions with the USGA Senate. An organization that wishes to appeal a funding decision must complete a Budget Appeal Form (found on LUCentral) within 5 business days of receiving the Allocation’s Committee’s decision letter. Making fundamental changes to the budget proposal will waive an organization’s right to an appeal. In the absence of any fundamental changes to the petitioning student organization’s funding request, it will be placed on the agenda for the next USGA Senate session.

There are two grounds for appealing a funding decision:
  1. Procedural Error – The appealing organization must prove that the Allocations Committee failed to adhere to its guidelines. The USGA Senate will then decide whether adherence was breached and, subsequently, whether to fund the RSO request in full or to uphold the Committee’s original decision.
2. **Line Item appeal** – The appealing organization must prove that a partially approved line item was reduced (i.e., the allocated amount is smaller than the requested amount), and that the reduction in funding is prohibitive to hosting the event. Please remember that a Line Item appeal is only applicable to partially approved line items within a budget request.

During an appeal to the Senate, the Chair of the Allocation Committee will present a detailed report on the rationale for the Committee’s decision. The student organization will then have the opportunity to present their case before the Senate.

Ap- peal decisions will be communicated to SAGA and the student organization within 24 hours of the Senate’s vote by the Speaker of the Senate.

**Fundraising/Revenue-Producing Events**

RSOs may raise money for internal organization operations, or for philanthropic purposes. Any revenue generated by an SAF-supported event must be donated to a non-profit organization, or it will be swept back into the SAF to be re-allocated. Any revenue generated by an event that is not supported by the SAF must be deposited into the organization’s Revenue (2510) account and will carry over from year to year. The fundraising activities should relate to the organization’s mission.

For revenue-producing events, an admission fee may be charged to reserve seats or ensure attendance. The SAF has been specifically designed to fund activities planned by and for Loyola University Chicago students; attendees from outside of the University (the general public, students at other universities, and family members) must be charged a nominal fee for attendance at Loyola events. Groups anticipating participation from outside of the University should plan accordingly.

*See Cash Box section below for money handling requirements.*

All registered student organizations wishing to fundraise (on or off-campus) must have an approved Activity Request Form on file with SAGA prior to collecting any money or goods. Funds raised must not be considered taxable revenue. If the following three factors apply, the revenue MAY be taxable:

1. Is this a trade or business activity looking to generate a profit?
2. Does this activity occur on a regular basis (daily, weekly, monthly, etc.)?
3. Does this activity specifically relate to Loyola University Chicago’s educational mission? If NOT, then it may be taxable.

Any external group or organization receiving a donation from an LUC student organization must meet the following criteria.

1. Must be a 501(c)(3) non-profit organization
2. Cannot be a political organization
3. Must align with the RSO’s mission

The following fundraising options are permitted on campus, but are not limited to:

- Bake Sales (Please see Food Safety Policy)
- Selling items (flowers, donated items, etc.)
- Selling services (car washes, waiting tables, etc.)
- Rummage Sales
- Charging admission, in the form of ticket sales
  - For an SAF funded event, proceeds from the event can only be used to support the charity of the student organization’s choice
• Requested donations at events (funds raised will be deposited into RSO revenue account to be carried over from year to year)
• Selling concessions at an event (SAF CANNOT be used to purchase supplies/concessions)
• Collection of dues or membership fees
• Off-campus business donations of goods or services (to be used at an event – pizza, prizes, etc.)
• Asking for monetary donations

Prohibited fundraising methods include but are not limited to:
• Campaign solicitations and campaign fundraising activities. Funds for political candidates or campaigns may not under any circumstances be solicited in the name of Loyola University Chicago or on Loyola’s campuses. Loyola students, faculty, and staff may make personal contributions to the candidate(s) of their choice.
• Raffles and/or lotteries. Any event requiring a fee in exchange for a chance at a prize may qualify under Illinois law as a raffle. The legal ramifications of holding a raffle are serious. If there is any question about whether your activities could be considered a raffle or lottery please contact the Office of Student Activities & Greek Affairs.
• Events/activities promoting and/or providing alcohol.
• Eating contests.
• Date auctions.

Donations and Tax ID Numbers

Receiving a donation:
Student organizations are permitted to accept funds or contributions from the campus community (students, faculty/staff, and alumni) and/or off-campus entities (individuals, businesses, corporations and/or foundations) under the following guidelines:

• The donation directly relates to the mission and purpose of the student organization as indicated in the organization constitution
• Proceeds were voluntarily contributed with the understanding of the cause or purpose
• If the donation is in the form of a check it must be made payable to Loyola University Chicago and is processed according to the tax deduction procedure outlined in the Tax Identification Numbers section or it must be made payable directly to the external charitable organization.
• If the donation is made in cash, the funds must be deposited directly into the student organization’s University account to be used for funding internal activities congruent with organizational purpose and/or to be given to an IRS-recognized 501 (c) (3) organization excluding political organizations or unrecognized groups.
• If donor requests documentation for tax deduction purposes, please see Tax ID Numbers section below.

Tax ID Numbers:
Tax identification numbers are the way the government tracks organizations. Loyola University Chicago does not give out their Tax ID Number just like you would not give out your SSN/personal identification number. If an outside entity requests LUC’s Tax ID number in the context of a donation agreement please consider the following:
• Donations can only be tax deductible if the donation is given directly to Loyola University Chicago (not to the RSO specifically).
• Donations have to be deposited through the Division of Advancement and then the donor can receive an acknowledgment letter that can be used for tax deduction purposes.
• Loyola University can send out a letter to the donor only if the funds are processed through the Loyola University Financial System.
• Cash donations cannot be tax deductible.

Here is the procedure that must be followed in order to receive a tax deduction from Loyola University Chicago:

1. The check is made out to Loyola University Chicago with the specification of where funds should be devoted or distributed.
2. The check is given to the Loyola administrator (SAGA Staff), who will make sure that the check is deposited to your University student organization account.
3. The acknowledgment letter will be sent to the donor from Loyola University Chicago. That letter can be used as the supporting document for tax deduction purposes.
4. Funds will be held in your account until the request from an organization is received by SAGA.
5. When the request is received, the Budget Coordinator will review request to make sure that the funds are being used appropriately.
6. If expenses are approved, the check will be issued to the vendor.
7. All unused funds will remain in your account and will carry over to the next year.
8. The Student Activity Fund Coordinator has final approval of all expenditures.

MANAGING FUNDS

Payment options

When there is a need to make a purchase for registered student organization purpose, organizations can choose from four different types of purchasing methods. Regardless of the purchasing method, requests need to be submitted via a payment request form (found in the Treasury module) on LUCentral by the relevant deadlines. SAGA does not operate with check books and/or cash, and currency of all purchases/reimbursements must be in US dollars.

1. **Check Payment Request** – This form is used to request a check for performers, vendors or other externally contracted services. Check requests must be completed at least four weeks in advance of the event date. For a check to be generated for your payment, all contracting materials must be uploaded in their entirety with the check request before the deadline. (See “Contracting” section for more details on required components of a contract.)
2. **Credit Card Payment Request** – This form is used to arrange pre-event purchases. Payment requests must be submitted at least 3 business days prior to the date of purchase. All items requested via a credit card payment request must be obtainable via phone or online. SAGA will not go to a store or vendor to make purchases.
   a. The date of purchase is often before the actual event date. It is the responsibility of the organization to factor in order size, tax-exemption, and shipping time when deciding when to submit their payment request. Do not wait until three days prior to your event to submit your request!
   b. Only businesses found on the SAGA Preferred Food Vendor List ([www.orgsync.com/10580/contact_books](http://www.orgsync.com/10580/contact_books)) will be approved for SAGA credit card use. If using a non-preferred vendor, Reimbursement is the only payment option.
3. **Reimbursement Request** – This form is used to reimburse students for any approved expenses incurred on behalf of their organization. An e-board member can submit one form per student, not per expense (the request must come from an e-board member, but the reimbursement can be made out to a general student member). No reimbursements will be given when food is purchased using a non-preferred vendor. Loyola does not reimburse sales tax. Reimbursements may take up to 4 weeks for processing.
4. **Internal Billing (IBF)** – This form is used to record payment for internal University expenses (Aramark catering, LUC Copy Center, Campus Safety requests, etc.). It is imperative that students record these
costs in order to maintain an accurate budget on LUCentral. Contact SAGA for your university account number, if necessary.

**Submitting receipts**

All receipts associated with any purchase are due back to the SAGA office no more than two business days after the purchase if saga purchased it. Remember to reflect tipping, if applicable. Submitting receipts for credit card payments is imperative to an organization’s ongoing access to credit card payment privileges! **If your organization fails to submit a receipt by the deadline on more than one occasion, your credit card payment privileges will be revoked for the remainder of the semester.**

**Tipping Guidelines**

When there is a need to tip a vendor, organizations should tip 15% while not exceeding $100.

**Making a Donation**

- Proceeds were voluntarily contributed with the understanding of the cause or purpose
- The organization receiving the funds must provide SAGA a current W-9 and an invoice or other documentation reflecting the total monetary amount of the donation. A donation check cannot be generated without this accompanying documentation.
- The donation directly relates to the mission and purpose of the student organization as indicated in the organization constitution

**Making Deposits**

All deposits for organizations must be turned in at the SAGA office within 24 hours of the event. **All checks must be made payable to Loyola University Chicago.** A deposit receipt will be provided to your organization at the time of deposit along with a corresponding deposit entry to your LUCentral treasury module.

**Budget Transfers**

RSOs may find that they have under/over estimated costs for parts of their program. Budget transfers may only be used to transfer funds (up to $1,000) from one approved line item to another approved line item within the same approved event budget.

All line item budget transfer requests, regardless of size, should be submitted to the Office of Student Activities & Greek Affairs for approval via a Line Item Transfer Form, found on LUCentral. Requests must be approved by the Office of Student Activities & Greek Affairs before the transfer and/or any related spending can occur.

Eligible Line Item Codes include:
- 6100 - General Supplies
- 6200 - LUC Copy Center
- 6201 - External Advertising / Printing Services
- 6321 - Food Services

If an event is cancelled, or is not going to occur in the form that it was originally funded (i.e. the event was originally funded as a dance, but the organization now wants to have a dinner), it is considered an unapproved
event and that portion of the budget will be frozen. The money will be swept from the organization’s account and returned to the Student Activity Fund (SAF) to be reallocated by the Allocations Committee.

**Cash Box**

Registered student organizations are required to reserve and use SAGA cash boxes for events/activities (whether held on or off campus) where money is exchanged (includes fundraising, ticket sales, etc.). SAGA will provide cash boxes as well as a safe for temporary money management and storage. An account loan can be provided up to $50 in the case where change is needed. Guidelines for use are as follows:

- The registered student organization must submit Cash Box request form 48 hours prior to the event via the Organization Supply Request form on LUCentral.
- Cash box and funds need to be returned 24 hours after the event concludes; if event falls on the weekend and the SAGA office is closed it is expected the cash box and funds are returned on the next business day.
- The deposit form must be completed and returned at the same time as the cash box to document original amount loaned (if applicable), amounts collected, total deposit amount and indicate a signature of witness confirming the return of the box and loan funds.
- Funds will be deposited to the RSO’s University Account.

**Outside Bank Accounts**

Student organizations are not permitted to hold an outside bank account, Paypal account, Bill Highway account, or any similar external fund management service. It is in the best interest of the student organization to utilize their University account for all organizational banking needs. Under no circumstances are student organizations authorized to associate Loyola University Chicago with an outside bank account in any manner (name, identification numbers, and tax-exempt numbers). An account of this type is not under the control of and is not the responsibility of Loyola University Chicago. Any revenue generated through organizational function regardless of how this function is funded (SAF, UID, etc.) have to be deposited into the RSO University Account.

The only exception to this University policy includes nationally-recognized organizations with 501(c) (3) status; in those cases the bank account must be in the name of the national organization. No organization can open a bank account under the Loyola University Chicago name.

Any student who opens a registered student organization account with an external bank is not only in violation of University policy, but also assumes personal risk and responsibility associated with that account.

Once figure out the credit card information, we should add it here.

**Fund Management Violations**

Violation of Student Activities & Greek Affairs policies is a serious matter. Failure to follow policy or procedures or to follow through on expectations and requirements by an organization or its members reflects poorly on the group and disrupts the University community.

Accountability measures may include, but are not limited to:

- Temporary expenditure freezing of the RSO University Account
- Loss of Start-Up Funding for the semester or year
- Removal of all current monies from the RSO University Account
- Denial of Room Reservation permissions for the semester or year
- Loss of future SAF funding
Rescinding of RSO status
Mandated training or workshops
Participation in appropriate conflict resolution processes through the OSCCR

At the discretion of SAGA, for serious or repeated violations, the organization and/or its members and officers may be referred to the Office of Student Conduct and Conflict Resolution (OSCCR) for failure to comply with University policy. Officers in elected positions may be held personally responsible for the actions of the membership. Please refer to the Community Standards for additional information about University policies.

SPACE RESERVATIONS

All Registered Student Organizations are afforded the privilege of being able to request and use University space and facilities. The University values the contributions and programs that registered student organizations provide for the campus community and firmly support those initiatives by providing space for RSOs to function; however, this privilege comes with responsibilities and expectations.

Expectations

Registered student organizations should only request space that the organization intends to use. This includes requesting the most appropriate space for the type of activities you are conducting. This includes taking into consideration the size of the space you need and the duration of your activity.

Registered student organizations are expected to notify Campus Reservations at least 24 hours in advance if a space is no longer needed by that organization. This allows other organizations the opportunity to accomplish their mission and purpose. If unused spaces are not canceled at least 24 hours in advance, room reservation privileges will be suspended for a minimum of 1 week.

Registered student organizations are expected to return spaces to the same condition that they were given. This means everything from cleaning up after your organization’s activity; to making sure all lights and technology are powered down.

Registered student organizations are expected to have their room reservation confirmation on hand to ensure that campus spaces are being used by the appropriate parties. Not all spaces are able to be reserved through Campus Reservations; however, it is encouraged that you start with Campus Reservations so you will be directed to the correct source for rooms available through other campus resources. To reserve a room on campus please visit LUC.edu/campus_reservations. Before reserving a space through Campus Reservations it is expected that you have familiarized yourself with their policies and procedures.

Space Requests Guidelines

The information below is a set of space guidelines, established by SAGA and Campus Reservations.

- All campus reservations must be placed via 25Live.
- To reserve a space you must submit your request at least 14 days in advance
- All overnight space requests require approval from the Assistant Dean of Student Life and Engagement or designee. Campus Reservations will not approve the request without prior approval.
