Course description

This course is designed to teach you how to research, organize, write and deliver speeches with an emphasis on business communications. You also will learn to be an intelligent, thoughtful and critical listener.

As a speaker, you will develop an understanding of the discipline of rhetoric and the art of public speaking. You will then be asked to demonstrate your knowledge in the following ways:
• Selecting a topic or position on an issue; researching the topic; and choosing the proper material to support the position.
• Organizing your ideas in a logical, cogent manner.
• Writing clearly using lively words.
• Using proper presentation methods to deliver a speech to an audience.

As a listener, you will be responsible for the following:
• Critiquing speeches based on the guidelines for proper public discourse.
• Expressing your opinions about a speech topic.
• Doing so in a constructive, supportive manner.
