Summary of Student Government of Loyola Chicago Judicial Proceedings

10.26.2015

- Senate Discretionary Fund Reallocation.................................................................2
  - Associate Justice Nitu Patel
  - Vote to approve legislation by a vote of 5-0-0
This represents the official Judicial Board opinion in the matter of the Senate Discretionary Fund Reallocation Act.

The Senate Discretionary Fund Reallocation Act was brought before the Judicial Board on October 26, 2015 that states the appropriate money from the Senate Discretionary Fund to the Standing Committee budgets.

**Article 17, Section (3), subsection (B)** requires that the Judicial Board to review the constitutionality of any legislation passed by the Senate.

§3. Judicial Review: The SGLC Judicial Board shall have the power of Judicial Review over the Articles of Governance.

(A) The Judicial Board shall maintain the Articles of Governance, committee bylaws, and all other internal SGLC governing and operational documents.

(B) The Judicial Board shall have the authority to exercise judicial review of the constitutionality of any legislation passed by the Senate or Executive Order issued by the President.

The SGLC budget established by the 2014-2015 Senate provides a budget in the amount of $325 for each respective standing committee, however, the Senate Discretionary Fund Reallocation Act now allows the access of funds for the standing committees in the amount of $500. The Senate Discretionary Fund Reallocation Act brought before the Judicial Board does not violate any constitutional ideals and it abides by the Article of Governance.

The Judicial Board therefore votes to pass the Senate Discretionary Fund Reallocation Act by a vote of 5-0-0, and recognizes it as official law.

Regards,

Nitu Patel, Associate Justice
