Crafting solutions

The sciences come to life at Loyola. You’ll choose from more than 20 science majors and minors, including our biology major with an ecology emphasis, our information technology major, and interdisciplinary majors and minors that integrate several fields.

“The many departments and programs within the College of Arts and Sciences invite all Loyola students not only to lay a well-rounded foundation for life-long learning through the Core Curriculum but also to embrace a way of thinking critically that unleashes their deepest intellectual passions,” says Thomas Regan, S.J., dean. “A true Jesuit education seeks to form competent and compassionate ‘women and men for others.’”

Brian
Majors: Biology and Psychology

Brian Sweis’s Loyola Experience taught him the importance of diligent research. By taking advantage of Loyola’s Undergraduate Research Opportunities Program (LUROP), Brian participated in research and received faculty mentorship as he developed his own research project.
OPPORTUNITIES

Are you naturally curious?
Perhaps the sciences are for you.
The sciences seek to organize and explain
the physical world through careful exami-
nation. During your studies, you’ll search
for solutions to problems of the physical
world. This search will lead you to develop
and test hypotheses, to observe physical
phenomena, and to then act upon
your findings.

EXPERIENCES

Expand your horizons
You’ll have extensive resources at your
disposal—modern labs, research op-
portunities and a distinguished faculty
of teacher-scholars. Our location in the
city of Chicago offers unbeatable access
to numerous industries, enabling you
to further refine your skills through
internships and make beneficial career
connections. • LUC.edu/career
OUR MISSION
We are Chicago’s Jesuit, Catholic University—a diverse community seeking God in all things and working to expand knowledge in the service of humanity through learning, justice, and faith.

Loyola University Chicago admits students without regard to their race, color, sex, age, national or ethnic origin, religion, sexual orientation, ancestry, military discharge or status, marital status, parental status, or any other protected status. Otherwise qualified persons are not subject to discrimination on the basis of disability.

Loyola is an equal opportunity educator/employer.

Information in this brochure is current as of October 2015.
