HUMANITIES

Classical inspiration

At Loyola, the humanities are the heart of liberal arts education. Through your studies, you'll explore myriad aspects of human culture while you prepare to make a thoughtful difference in your life's pursuits.

"The many departments and programs within the College of Arts and Sciences invite all Loyola students not only to lay a well-rounded foundation for life-long learning through the Core Curriculum but also to embrace a way of thinking critically that unleashes their deepest intellectual passions," says Thomas Regan, S.J., dean. "A true 'Jesuit education' seeks to form competent and compassionate 'women and men for others'."

HANDS-ON RESEARCH

Through Loyola Undergraduate Opportunities Program (LUROP), undergraduates can pursue hundreds of research opportunities as well as get advice on how to apply and prepare for a research program.

PROGRAMS

The humanities focus on the expressions of human thought and values. As a humanities student, you will examine ethical behavior, novels, films, or spirituality. The humanities prepare you for broad range of careers or advanced study. • [LUC.edu/majors](https://luc.edu/majors)
