- Counseled students on making healthier decisions regarding nutrition and alcohol consumption.

ADDITIONAL EXPERIENCE

Loyola University Chicago Tutoring Center, Tutor, Chicago, IL

Aug. 2013-Present

- Tutor students ages 18-22 in science and math.
- Assess each individual's learning style and tailor lesson plans to meet student's needs.

Sunnyside Retirement Home, Activities Coordinator, Skokie, IL

May 2010-Sept. 2010

- Engaged geriatric residents in educational and recreational activities based on needs assessment.
- Educated patients on use of equipment and the importance of exercise.

SKILLS

Fluent in Polish; Conversational Spanish

Proficient in **Epic charting**

Comment [SW4]: One key skill: what charting tools/software have they used?
