Universal Design for Learning

**Recognition Networks**
The "what" of learning

How we gather facts and categorize what we see, hear, and read. Identifying letters, words, or an author's style are recognition tasks.

- Present information and content in different ways
  - More ways to provide Multiple Means of Representation

**Strategic Networks**
The "how" of learning

Planning and performing tasks. How we organize and express our ideas. Writing an essay or solving a math problem are strategic tasks.

- Differentiate the ways that students can express what they know
  - More ways to provide Multiple Means of Action and Expression

**Affective Networks**
The "why" of learning

How learners get engaged and stay motivated. How they are challenged, excited, or interested. These are affective dimensions.

- Stimulate interest and motivation for learning
  - More ways to provide Multiple Means of Engagement
