

WHAT IS THE CHAMPIONS CLUB?

The Champions Club represents the most impactful levels of support within the Loyola Athletic Fund. It also represents a group of like-minded Rambler fans whose mission is to provide Loyola Athletics with the resources needed to deliver a first-class experience to our student-athletes in their pursuit of academic excellence, competitive success, and community engagement. Members of the Champions Club will directly enhance the student-athlete experience and bolster their efforts both on and off the field of play through their support of Rambler Athletics. In the ultra-competitive and ever-changing landscape of college athletics, this type of investment is absolutely critical for us to continue competing for championships. **Invest in leaders. Invest in champions.**

Members of the Champions Club sign a pledge committing \$25,000+ payable over two years. Pledges may be directed to any sports program, split across multiple sports, or designated to funds such as the Worship, Work, Win endowed fund that benefits the entire athletic department.

We talk about a CHAMPIONSHIP-LEVEL STANDARD in our program every single day. And to say that we are thankful for the support the Champions Club provides Loyola Basketball would be an understatement. To continue growing Rambler Basketball and competing for Championships year after year, it is essential that our key supporters continue to commit to our program at a championship level. We are so thankful for all that you all have done and will continue to do! It doesn't happen without you. Go Ramblers!
