GET READY FOR THE NEW PPO 3 HSA MEDICAL PLAN OPTION BEGINNING JANUARY 1, 2019!

PPO 3 HSA benefits include:

- A Health Savings Account (HSA) so you can receive incentive money ($600 for You, or $1,200 for You + 1 or More) from Loyola in 2019
- Ability to contribute money on a pretax basis to your HSA (this money can be used for eligible health care expenses incurred during the 2019 calendar year, or saved or invested for future health care expenses)
- Critical Illness and Accident Insurance employee coverage included
- Lower monthly premiums
- Combined medical and prescription drug deductible and out-of-pocket maximum

The following resources are available to learn more about the PPO 3 HSA and prepare for Open Enrollment 2019 (November 1–21, 2018):

ONLINE – TALK TO ALEX®

Your personalized benefits counselor, also known as “Alex,” is an interactive benefit tool designed to help you better understand our competitive and comprehensive benefits, including the new PPO 3 HSA plan, and help you choose the best plan for you and your covered dependents. Access Alex online from your computer, tablet or smartphone anytime!

IN-PERSON – OPEN ENROLLMENT BENEFIT FAIRS

Throughout October, benefits representatives will provide detailed information about new and existing benefits, including the tobacco and spousal coverage premiums, and the new Health Savings Account (HSA) available to those who enroll in the PPO 3 HSA medical plan for 2019. Employees and covered spouses/LDAs are required to complete a biometric screening and Health Power Assessment by December 7, 2018 to be eligible for the wellness premium reduction.

New this year, employees who currently participate in the quarterly wellness program can receive points for the upcoming quarter by attending the activities listed below:

- 50 points = Information Session
- 20 points = Benefits Fair
