

Loyola University Medical Center Cardiographics Department Research Fee Schedule

Cardiographics Start Up: \$500
The start up fee includes technologist(s) and other personnel effort in coordinating and participating in in site qualification and site initiation visits, completing required training, and providing requested documentation to the study sponsor. It includes all effort up to and through the site initiation visit. The fee will be incurred on the day of the site initiation visit.

Training (on-going): \$50 per hour
Training required after completion of the site initiation visit will be billed at the rate of \$50 per hour per technologist. The fee will be incurred the day the training is completed.

Phantom or Quality Scan: \$350
The Phantom or Quality Scan fee includes the technologist time and room and equipment utilization to complete testing for quality review or site certification purposes. The fee will be incurred on the day the test results are submitted to the sponsor for review.

Data Copy: \$20 per study
This fee is incurred when a copy of an imaging study to external media is delivered to the research personnel.

Technologist Effort: \$50 per hour
Any other activities not noted here that require the dedicated effort of a technologist will be billed at the hourly rate of \$50.
