The Electronic Classroom consists of these basic units: 1) **Data Projector**; 2) **iMac Computer**; 3) **Touch Panel**; and 4) **Equipment Rack** includes: Auxiliary Power, Auxiliary Plate and Cables, and Blu-ray/DVD Player

**To Activate System:**

Locate the **Touch Panel** and press the darkened screen. Press the logo and then select the source you wish to use from the scrollable side bar.

*Please note* – If the system is not powered down properly you may have to shut down the system first. (Explained below; see **System Shutdown**)

**To Display from the Computer Workstation:**

1. Turn on the iMac workstation, if not already on.
2. Press the **Apple iMac** button on the Touch Panel.
3. If you do not see the computer image (**you may have to wait for Projector to warm up ~1 min**): After waiting a minute, press **COMP** one more time to see if this brings it up.

For immediate assistance, please call *901* from a classroom phone.
To Log into the iMac Workstation:
1. Type your Username and Password at the login screen.
2. Press Enter on the keyboard.

To Display a Blu-ray/DVD:
1. On the Touch Panel, press the Blu-ray hard button.
2. Insert your disc, and press play via the Touch Panel.
3. If you do not see the image of the disc, you may need to reselect Blu-ray on the Touch Panel.

To Display from your Laptop:
1. Using the VGA with audio or HDMI cables provided to you, connect your laptop.
2. On the Touch Panel, press the Laptop source button.
3. If you don’t see the laptop’s image on the screen, toggle the laptop’s Function LCD/CRT (Display) button.

Audio Only Mode:
1. To play audio from another source without using or changing the projector mode, select Audio Only from the scrollable side bar of the Touch Panel.
2. Select from Blu-ray, iMac, or Laptop audio.

Please Power Down the System Before You Leave the Room
System Shutdown:
Using the Touch Panel, press the System Off button, and then press Shutdown.
