J.D. Requirements

A student shall be eligible for the degree of Juris Doctor upon satisfying the following requirements:

- All students must successfully complete a minimum of eighty-six (86) credit units, seventy-four (74) of which must be graded credits.

- Students must complete their course of study for the JD degree no later than 84 months after commencing law study at the School of Law or at a law school from which the school has accepted transfer credit.

- All students must satisfy residency requirements. These requirements are designed to comply with Standards of the American Bar Association and ensure that students have had sufficient exposure to the knowledge, skills and values of the legal profession. At the same time, they are designed to equalize tuition costs to the extent possible.

RESIDENCY REQUIREMENTS FOR FULL-TIME DIVISION STUDENTS:

A student in the full-time division can achieve the required time in residence in the following way:

a) Completion of 6 full-time semesters [12 - 17 credits per semester]

b) Students in the full-time division may not advance the date of their graduation by taking classes during the summer session.

c) Additional credits earned in one academic year or summer session will not permit a student in the full-time division to take fewer than the minimum credit hours (12) per semester thereafter.

d) Note: All students may register for a maximum of 8 credit hours during any one summer session.

RESIDENCY REQUIREMENTS FOR PART-TIME DIVISION STUDENTS WEEKEND:

To earn a JD degree in the Part-time Weekend JD Program, you must complete a minimum of 86 credit hours of coursework in no fewer than seven semesters. Students in the part-time weekend program must register for a minimum of 8 credit hours, and no more than 12 credit hours, each semester.

A student in the Part-time Weekend JD Program can achieve the required time in residence in these ways:

Seven Semesters and at Least Two Summer Sessions

A student in the Weekend Part-Time Division can meet the residency requirement upon the completion of seven part-time semesters and a minimum of eleven academic credits over two or more summer sessions. Note: All students may register for a maximum of 8 credit hours during any one summer session.

A student in the Weekend Part-Time Division, with approval from the Dean’s Office, may meet the residency requirement and reduce the number of required summer academic credits
(eleven credits) by completing no more than two additional hours above the maximum part-time limit of twelve hours in semesters three, four, five, six or seven. In other words, a student in the Weekend Part-Time Division who wishes to graduate in seven semesters and who receives prior approval may be permitted to take up to 14 credit hours in a semester, thereby reducing the eleven credit summer requirement by two credit hours to nine credit hours of summer school. To receive approval, the student must demonstrate that his or her outside/work responsibilities will allow for sufficient time to participate fully in the study of law during that semester. Note that students who receive prior approval from the Dean’s Office will be charged additional tuition at the hourly rate for each hour that exceeds twelve in that semester.

In addition to an array of electives, many flexible course options will be available, including independent study, and fully online courses (as many as 15 credit hours of fully online coursework after completion of 28 credit hours).

Students in the part-time division who wish to accelerate their graduation in this way should consult with a Student Advisor to make sure that they will be able to meet all degree and tuition requirements.

Note that additional credits earned in one academic year or summer session will not permit a student to take fewer than the minimum credit hours per semester thereafter.

Eight Semesters
A student in the part-time division can meet the residency requirement upon the completion of eight part-time semesters of a minimum of 8 credit hours.

- REQUIRED CURRICULUM: All students must successfully complete the required curriculum. Required courses include the following:
  - Civil Procedure (4 credit hours in Fall semester of the first year)
  - Torts (4 credit hours in Fall semester of the first year)
  - Property (4 credit hours in Fall semester of the first year full-time/second year part-time)
  - Contracts (4 credit hours in Spring semester of the first year)
  - Constitutional Law (4 credit hours in Spring semester of the first year full-time/second year part-time)
  - Criminal Law (3 credit hours in Spring semester of the first year)
  - Legal Writing I and Legal Research (2 credit hours in Fall semester of the first year)
  - Legal Writing II (2 credit hours in Spring semester of the first year)
  - Perspective Elective (2 or 3 credit hours in Spring semester of first year for full-time students; part-time students must take perspective elective after the first year)
  - Advocacy (2 credit hours taken during the fall semester of the second year)
  - Professional Responsibility (3 credit hours – after first year)
  - Skills Elective – (A minimum of 2 credit hours – after first year)
Experiential Learning Electives - A minimum of 6 credits are required after the first year. A maximum of 3 Experiential Learning hours may be earned through a comprehensive simulation. At least 3 credits must be earned through a live-client experience in one of the following ways:

1. an intensive field placement through Loyola’s Externship Program,
2. through participation in one of Loyola’s seven clinics, or
3. through an approved practicum project.

Students may not satisfy the Experiential Learning requirement by taking a class that is also taken to satisfy the “Skill” requirement or the “Perspective Elective” requirement.

Mandatory “bar skills” class - J.D. Students who are ranked in the bottom 15% of their class after their second, third, or fourth semester of law school will be required to complete 2 credits in a designated “BAR SKILLS” class in order to graduate. Those students who entered law school before the fall of 2014 are exempt from this requirement.

Students are required to schedule a Graduation Interview with the Law Registrar during the semester prior to their final semester to review credentials and apply for graduation. In other words, if the student expects to graduate after the spring semester, he or she must schedule a Graduation Interview with the Law Registrar during the prior fall semester.

Eligibility to Continue in the J.D. Program

Students in the J.D. Program who matriculate prior to the 2017-18 Academic Year must achieve a minimum 2.0 grade point average in order to graduate. Prior to graduation, eligibility to continue in the J.D. Program is determined as follows:

- In order to remain in good standing and be eligible to continue in the program, a student:
  - must have attained a grade point average of at least 1.75 at the end of the first semester of the first year;
  - after the completion of every semester thereafter, maintain a cumulative grade point average of at least 2.0; and
  - not receive a grade of “F” or “WF” in more than three courses during residence in the School of Law

Students who matriculate after the 2016-17 Academic Year must achieve a minimum 2.33 grade point average in order to graduate. Prior to graduation, eligibility to continue in the J.D. Program is determined as follows:

- In order to remain in good standing and be eligible to continue in the program, a student:
  - must have attained a grade point average of at least 2.00 at the end of the first semester of the first year;
  - after the completion of every semester thereafter, maintain a cumulative grade point average of at least 2.33; and
  - not receive a grade of “F” or “WF” in more than three courses during residence in the School of Law
Requirements for Students Who Transfer Divisions

Students who transfer divisions can satisfy residency requirement in the following ways. A student may not transfer divisions in their final semester of law school.

- **Full-time students** who seek to transfer to the part-time division must meet with a member of the Dean's Office to discuss the conditions upon which a transfer will be approved. If permitted, a student who transfers from the full-time division to the part-time division must comply with the academic schedule determined by the Dean’s Office. Students in this category may not graduate in fewer than seven semesters (excluding summers).

- A student in the **part-time division** who transfers, after approval from the Dean's Office, to the full-time division:
  a) before the **third semester** and graduates in three years (six semesters) must complete a minimum of eight hours of summer courses;
  b) before the **fourth semester** and graduates in three years (six semesters) must complete a minimum of eleven hours of summer courses;
  c) before the **fifth semester** and graduates in three years (six semesters) must complete a minimum of fifteen hours of summer courses over two summers.

Additional credits earned in one academic year or summer session will not permit a student to take fewer than the minimum credit hours per semester thereafter.

- “Students who want to transfer to a new division must have a division transfer from signed before registration begins for the effective term. Division transfers are not permitted after registration has begun. In addition, students are permitted to transfer divisions only once during their law school careers.”

</table>
| Jan. 23-Feb 9 (Using LOCUS) | **ONLY DAYS TO WITHDRAW WITH "W"**  
A withdrawal from a course during this period will result in the grade of "W." The grade of "W" is not counted in the grade point average, but is recorded on the transcript. 

**COURSE WITHDRAWALS AFTER FEBRUARY 9 WILL RECEIVE A "WF" (WITHDRAWAL WITH FAILURE). THE "WF" GRADE WILL BE CALCULATED IN THE GRADE POINT AVERAGE AS AN "F".**

**NOTE:** Students register by the number of hours successfully earned as of the end of the prior Spring. Procedures and scheduled times must be adhered to in all cases. Academic credit will not be given for courses in which students have not properly registered. If a student fails to drop a course he/she is not attending but registered for, the student will receive a "WF" which will be permanent on the record. It is the responsibility of each student to register properly for his or her courses and to confirm course selections through the LOCUS system. LOCUS registration instructions are available on the university’s website.

**IMMUNIZATION RECORD:** Students whose current immunization records are not on file at the Wellness Center will be blocked from registering. More information, a list of exemptions, and a downloadable form are available on the Wellness Center Home page.

**FIRST YEAR STUDENTS**

All full-time 1L students must register for Constitutional Law, Contracts, Criminal Law and Legal Writing II in the same section to which they are currently assigned. All full-time 1L students must also register for ONE elective available to first-year students. These electives are designated Perspective Elective (Per Elec). 1L students may not register for any other courses.

Part-time 1Ls must register for Contracts and Criminal Law in the same weekend section. In addition, Part-time 1Ls must register for Legal Writing II (in the same small section they are currently assigned). **Part-time 1Ls may NOT register for Perspective Elective (Per Elec) courses or any other courses.**

**NOTE:** Students must register for all courses in the required semester and year. Failure to register for a required course will result in a grade of “WF” in those required courses.
General Information

**ATTENDANCE GUIDELINES** Regular and punctual class attendance, as determined by the instructor and the Dean, is required in all courses. Excessive absences or tardy attendance, even if all or some of them are considered to be “excused,” violate this requirement. Students who do so are subject to various sanctions including a reduction in the grade, withdrawal from the course, additional remedial work, withholding of the final exam or a final grade which results in the grade of “WF” (withdraw failing), or other appropriate sanctions in the discretion of the instructor or the Dean. Since regular and punctual attendance is required in all courses, registration for courses that meet at the same time or overlapping times is not permitted.

**REQUIRED COURSES** - Students must successfully complete all of the following courses and a minimum of 86.0 credits in order to graduate, 74 of which must be graded credits.

- Advocacy, Civil Procedure, Constitutional Law, Contracts, Criminal Law, Legal Writing I & II - Legal Research, Professional Responsibility, Property, and Torts.
- Perspective Elective Course (2-3 credits)
- Skills Course (2-3 credits)
- Experiential Learning (6 credits) – **Two Categories: Live Client Experience and Comprehensive Simulation** (only three credits can be completed through Comprehensive Simulation.)
  
  **Students may not satisfy the Experiential Learning requirement by taking a class that is also taken to satisfy the "Skill" requirement or the "Perspective Elective" requirement.**

- Bar Skills Course (2 credits) – Students who are ranked in the bottom 15 percent of their class after their second, third, or fourth semester of law school must complete the “BAR EXAM FUNDAMENTALS” course in order to graduate.

**ONLINE COURSES FOR JD STUDENTS**

Loyola may offer enrollment in select online courses, taught by experienced practitioner faculty. Juris Doctor students who have completed at least 28 hours may take up to 4 hours per term and a maximum of 15 online credit hours throughout their Juris Doctor program.

**NOTE:** Each state has different rules for admission to the bar. Students should consult with each jurisdiction in which they intend to practice to ensure that completion of online courses qualify for bar admission.

**J.D. EXTERNS** Applications for Fall J.D. externships are available on our website. Students who wish to apply for the extern program can download the application and other information. Applications are due to Ms. Josie Gough in Room 1317 by **November 17, 2017**. Upon acceptance, the student must register for the course in the LOCUS system.

**AUDITING CLASSES** Students who want to take a course without receiving academic credit may audit the course, provided that the course is not closed at the capacity. Students who have registered for credit in a class that is filled may not convert their registration to an audit. A course that is audited does not count as hours attempted, therefore, it is not considered in determining a student’s academic full-time or part-time status; however, tuition is charged as though the course is being taken for credit. Class attendance is required; if you do not attend class, a final grade of W will be recorded. Assignments, examinations and term papers, are not required, but you have a right to participate in class discussions. All auditors must complete and submit an audit request form in the School of Law Registrar’s Office, room 1203. A course will not be converted to Audit after the Change of Registration period has ended.
DUAL DEGREE STUDENTS: Students who have been admitted to a dual degree program within another school of the university must contact the Law Registrar, Dora Jacks, prior to registering for law school courses. See the dual degree web page for additional information. All dual degree students must enroll in graduate courses under their Graduate Career in LOCUS.

Students registering for courses that require permission must receive faculty approval. Approval forms for Directed Study, Independent Research, and Graduate Legal Studies are available on the web. All forms must be completed, signed and returned to the School of Law Registrar Office no later than November 17, 2017.

- Students can enroll in approved courses approximately two business days after the form is submitted to the Law Registrar office.
- Students who wish to drop the course after the submission of approval are responsible for withdrawing from the course.

The School of Law Registrar Office will verify information including students’ dates of attendance, status (full/part-time), degree earned, and the date a degree was conferred, when inquiries are made by lending institutions, law firms, etc., unless otherwise notified in writing. Visit the FERPA website for more information.

NOTIFICATION OF CHANGE OF NAME AND ADDRESS
Students are responsible for the accuracy of their personal data in LOCUS. To change your name, you must complete a Change of Name form located in the Law School Registrar Office, room 1203.

FINANCIAL AID INFORMATION - Visit our website for Financial Aid information.

CANCELLED CLASSES
Classes which do not meet the minimum enrollment requirement set by the School of Law are subject to cancellation. Cancellations can occur up to and including the first week of classes.

CLOSED CLASSES
Please keep the following points in mind as you prepare for registration:

- Register as soon after your scheduled registration time. At that time, you have the best opportunity to enroll in the courses you want. The later you register, you lose that advantage.

- If a class is full, the system will not permit further registrations unless a student drops the course. If you wish to register for a class that is full, keep in mind the following:

Your only option is to continue to check LOCUS for openings. A student must drop the class, in order for a space to become available. There is no guarantee, but usually a spot will become available at some point before the semester begins. There is a great deal of “turnover” during registration and the advantage will go to the students who keep checking the system.

Instructors are not able to override the system. While a faculty member may have sympathy for your situation, he/she does not have the ability to let you in. Members of the administration are always pleased to help, but when a class is full, the only fair way to get into the course is to check the system frequently.

You may not sit-in on the class. You will not receive credit unless you are properly registered for the course in LOCUS.

CLASS CONFLICTS
Students are not permitted to register for classes that conflict in whole or in part. Please note the following two examples:

1. Class #1 meets from 2:00p.m. to 3:30p.m. Class #2 meets from 3:00p.m. to 5:00p.m. Registration in both classes is not permitted because of the time conflict.

2. Class #1 meets every Saturday morning throughout the semester. Class #2 is a weekend seminar class that meets one weekend on Saturday and Sunday, but at the same time as Class #1. Registration in both classes is not permitted.
WITHDRAWING AND DROPPING CLASSES

SCHEDULE CHANGE
You must officially withdraw from a course using the LOCUS system, or you will be held responsible for all charges on your account. **You are considered to be in attendance until you drop the course.** Tuition charges will be based on the date of official withdrawal from the system. After **January 22**, all withdrawals will result in a refund that is prorated according to a schedule set by the Office of the University Bursar. Students who drop a course after the official withdrawal deadline of **February 9, 2018** will receive a failing grade of “WF” and will be responsible for fees and tuition according to the Bursar’s policy.

HOURS/TUITION
J.D. students are charged a flat-rate tuition. Full-time students must be enrolled in 12 to 17 hours for the same flat-rate tuition. Part-time students must enroll in 8 to12 hours for the same flat-rate tuition.

GRADUATION & BAR EXAM INFORMATION

GRADUATION INTERVIEWS
You are required to schedule a graduation interview with the School of Law Registrar. Each appointment is approximately fifteen minutes. The purpose of the Graduation Interview is to review credentials and apply for graduation. Appointments must be made with Dora Jacks, Law Registrar (312) 915-7167, Room 1203. Graduating students are responsible for completion of all requirements prior to graduation. **Students who do not complete a graduation interview will not graduate with their class.**

SPRING/SUMMER 2018 PROSPECTIVE GRADUATES: JURIS DOCTOR students who have not already made an appointment for Spring 2018 graduation must schedule a telephone interview with the Registrar no later than December 1, 2017.

Fall 2018 PROSPECTIVE GRADUATES: JURIS DOCTOR students who intend to graduate in January 2019 must schedule an interview between February 5-9, 2018.

THE ILLINOIS AND MULTI-STATE BAR EXAM

MULTISTATE PROFESSIONAL RESPONSIBILITY EXAM (MPRE)
The MPRE is the Multistate Professional Responsibility Examination, a multiple choice exam containing 50 questions, which is produced, marketed, and administered by the American College of Testing (ACT) on behalf of the National Conference of Bar Examiners (NCBE) three times each calendar year (April, August, and November). The test is designed to measure the examinee’s knowledge of the ethical standards of the legal profession and is two hours and five minutes in length. Many jurisdictions, including Illinois, require bar applicants to sit for the MPRE. The MPRE is also scored and scaled nationally, although each jurisdiction establishes its own passing score. Visit the website of the NCBE at [www.ncbex.org](http://www.ncbex.org) for detailed information.

An applicant to the Illinois bar may take the MPRE at any time during or after law school.
ILLINOIS BAR APPLICATIONS
Students who plan to take the Illinois Bar exam must file a Character and Fitness registration application along with an application to take the bar exam. This will be an all-inclusive process that will take place during your last year of law school. Materials can be found at: www.ilbaradmissions.org.

The regular filing deadlines for the Illinois bar exams are usually February 15 for the July Exam and September 15 for the February exam. These dates should be confirmed with the Illinois Board of Admissions to the Bar.

Out-of-State Bar Applications
Students who plan to practice in another state should contact the Bar Examiners Office in that state as soon as possible to determine the registration requirements. For information on various exams and links to most state bar authorities, visit the web site of the National Conference of Bar Examiners at: http://www.ncbex.org/assets/media_files/Comp-Guide/CompGuide.pdf.
