Please complete the following questions to offer insights that support your transfer request.

Self-Assessment and Personal Development in Nursing

Obtaining a college degree and becoming a nurse demands persistence and the ability to stay focused on long-term goals. Please describe a long-range goal you have for your nursing career. Include the steps you are currently taking to achieve this goal and identify the areas of personal development you need to focus on to successfully reach it.

Leadership and Community Engagement in Nursing

Nurses demonstrate leadership through various roles within healthcare, regardless of holding an official title. Effective nursing leadership involves practicing caring, creativity, and equity. Please describe your understanding of leadership by providing a specific example of how you have demonstrated leadership in a community, family, health, or other setting. In your response, also highlight the essential skills, knowledge, or behaviors that contributed to your success in that leadership role.

Enhancing Health Equity and Delivering Quality Care for All

Our vision at the Marcella Niehoff School of Nursing is to be a preeminent leader in transforming the health of persons, families, communities and populations, while promoting social justice, health equity and quality care for all. As a future nurse, how do you envision contributing to making healthcare more accessible to all? Please discuss how your strengths and goals support your journey toward fulfilling this role.
