Since 1996, more than 125 young family business leaders have graduated from the Next Generation Leadership Institute (NGLI), an 18-month program designed for 25-to 45-year-olds in family business. Like a compass, NGLI helps business leaders find their True North. But don’t take it from us. See what recent grads have to say about the program.

Our next class kicks off May 1.
