Deferred Housing List Update - 3/12/2018

Greetings, STUDENT,

We hope that you had a relaxing and enjoyable spring break. We are emailing you today to provide an update and additional information regarding the Deferred Housing Process.

Following the completion of Room Selection, we have begun to audit the remaining available spaces on-campus. We will begin to contact Juniors/Seniors from the Deferred Housing List as spaces become available. Application preferences will be used as a reference but will not necessarily exclude students from being offered a space if it is not an exact match to their stated preferences. If you would like to update your application preferences, you may do so through the 'Apply Now' link on the Application Portal page for the Residence Life Portal.

If we are able to offer you a space, we will send an offer email to your Loyola email address. The email will contain a link to a form where you can view and Accept or Decline the housing assignment. This email will also include a deadline to accept or decline the offer. Although we strongly prefer that students respond to the offer as soon as possible, if you do not take any action after being offered on-campus housing, we will assume that you are satisfied with the assignment, you will remain assigned, and you will be under the standard terms of the Housing Contract.

We recognize that waiting to find out whether or not you will be able to live on-campus can be stressful. In order to help you make the best decision for yourself regarding how long to wait, we want to make you aware that for the past 3 years, we have received approximately 150 contract cancellations between February-August for the following academic year. We typically receive cancellations from as early as February to as late as August.

Please know that we are working diligently to accommodate as many students from the Deferred Housing List as possible. As you are exploring your options, our Housing Assignments Team will be happy to provide you with an update regarding your Deferred Housing status. Due to the complex nature of this process, we cannot share your exact placement on the Deferred Housing List. We can, however, offer some guidance if you are considering an off-campus housing option that is time-sensitive (for example if you need to submit an application or sign a lease within a certain period of time). If you contact a member of the Housing Assignments Team, they will be able to let you know the likelihood of being assigned on-campus within a specific timeframe.

If you have questions or concerns regarding an off-campus application or leasing process, please review the Off-Campus Student Life website (LUC.edu/offcampus). This site includes a link to Places4Students, an apartment-listing resource exclusive to Loyola Students.

If you secure an apartment off-campus prior to being offered a space on-campus, please submit a Request for Release from the Housing Contract online at forms.LUC.edu/eRelease.

We strongly recommend that you check your email regularly for updates regarding the Deferred Housing List.

Please contact our office if you have any questions.
