Loyola University Chicago’s community,

We are Kathleen Meis and Mario Guerrero and we are running to be the Student Government of Loyola Chicago (SGLC)’s President and Vice-President for the 2019-2020 term.

Kathleen has been a student representative in Loyola University’s Senate, a Senator in the Justice Committee of the SGLC her freshman and Junior year as well as the Speaker of the Senate her Sophomore year. She has volunteered in Big Brothers Big Sisters through Loyola4Chicago and is a member of the Kappa Kappa Gamma sorority.

Mario has been a student representative in Loyola University’s Senate, a Senator serving in different committees of the SGLC, a Social Justice Intern, a Peer Advisor and has worked closely with the #LoyolaVotes Campaign.

At a moment of great opportunity in our University, we believe that the SGLC has an important role to play in the quest of improving everyone’s experience during their time at Loyola. We launched this campaign with the intention of proposing tangible goals that align with the center themes of our campaign: Sustainability, Inclusivity, Safety and Accessibility. These goals come as a result of many conversations we’ve had with our peers throughout our involvement on campus.

These goals, however, are meant to start a dialogue about what initiatives the student body want the SGLC to prioritize for the next year. We strongly believe in the importance of student input in the affairs of the University and our campaign will be the start of a bigger effort to maintain open lines of communication with our peers.

We look forward to working with you all and together we will build a stronger, more sustainable, inclusive, safe, and accessible Loyola!

In maroon and gold,
Kathleen and Mario
