

Instructions on Access to Grades in STARRS

Loyola now has a MFA (Multi-factor Authentication) access process.

Steps:

- 1) go to website connect.trinity-health.org.
- 2) sign onto Netscaler gateway (for me I have to add in the Loyola domain every time)
- 3) wait for authenticator to call my phone. press # when they do.
- 4) hit the back button on the top line to connect (weird) if it doesn't go automatically.
- 5) Choose the Spirit link
- 6) sign into Loyola.wired portal
- 7) find STARRS (alphabetical listings).
